Questions and Answers About Hispanics and Latinos Michigan State University School of Journalism, 2014-05-01 One Hundred Questions and Answers About Hispanics and Latinos is part of the Michigan State University School of Journalism series in cultural competence. It focuses on the diversity of the largest ethnic group in the United States. This guide has sections on Hispanic and Latino identity, geography, language, religion, social norms, politics, immigration, and deportation, education, work, money, families, culture, health, and food. It explains terms such as Chicano, Tejano, and Texano, Boricua, and deals with deportation and immigration. The guide is intended for people in business, schools, places of worship, government, medicine, law enforcement, human resources, and journalism anywhere it is important to know more about communities.
