Gto 14 Days In Shonan Volume 1 Great Teacher Onizuka:

GTO: 14 Days in Shonan, Volume 1 Toru Fujisawa, 2012-01-31 After guiding the infamous Tokyo Kissho Academy through a crash course of his unique brand of life lessons a battered and bruised Eikichi Onizuka takes a well deserved trip to his hometown of sorts a typically quiet surfers paradise called Shonan Unfortunately with child neglect and abuse becoming a global phenomenon the self proclaimed GTO Great Teacher Onizuka quickly finds himself back in the saddle for what he hopes is a painless two week long field trip with some teens in need And while Onizuka s curriculum may not rely on the reading writing and arithmetic that is common in most classrooms he has more than a few good lessons in personal development fisticuffs and fun to teach a new generation of trouble teens

GTO: 14 Days in Shonan, Volume 5 Toru Fujisawa, 2012-09-25 Eikichi Onizuka is a 23 year old ex gang member He is also the World s Greatest Teacher As he began his quest to become the ultimate educator the young Onizuka discovers two principles of teaching a social conscience and a sense of morality So while he cannot use his strength on his kids his street smarts allow him to garner respect across the student body As a homeroom teacher Onizuka focuses mainly on teaching life lessons unfortunately his methods have created a stir among the PTA To change the educational system as a whole he embarks on a mission whereas he will individually mentor each student one by one allowing each student to overcome their problems whether they come from the classroom or from their home living rooms After a tiring and eventful school year Onizuka takes a break from the classroom and for his school break he decides escape the pressures of work by heading back home to the lazy surfers village of Shonan Back in his hometown he runs into friend of his significant other who runs an orphanage called the White Swan Youth Home An orphan himself Onizuka decides to help the home with hopes to help the kids in the same manner he does at school In the fifth volume of 14 Days in Shonan Eikichi Onizuka the Great Teacher has a very unique assignment to take on Normally he spends most of his time teaching teens life lessons He uses the school of hard knocks technique to open people s hearts However in this situation the GTO must make an effort to reunite a child with his mother He must also teach the child that sometimes choosing family is not the right solution Everyone would like to have a happy household Being able to sit by the dinner table to discuss the day s highlights is an ideal that is not reality for millions across the globe And in the case of the teens at the White Swan such realities are generally fictitious because of a variety of reasons That does not excuse anyone involved from wishing for such a life but changing the hearts of adults often means changing their lives at their core Words or fisticuffs will not be enough So Seiya a young man who appears to be on the way to a pleasant self reliant life turns to violence to try to get his mother and family life back But what happens when your very own mother is willing to take a knife at you Well this is Seiya s reality And this is one lesson Onizuka will hate to have taught Then the spotlight turns to Onizuka s employer Great Vice Principal Uchiyamada He s also in Shonan and on the hunt for Onizuka But out of his element and turf this educator is now caught up in a wild ride through the Tokyo suburbs
