Early Internationalizing Firms

Rubina Romanello, Maria Chiarvesio, 2025-01-29 This monograph offers a thorough review of four decades of research on early internationalizing firms focusing on Born Globals and International New Ventures. It systematically examines 323 empirical studies exploring the origins, evolution, and key themes within this field. The book covers the theoretical foundations, internationalization strategies, performance outcomes, and the impact of digital technologies on these firms. It also addresses ongoing debates and identifies areas where further research is needed, presenting a clear agenda for future studies. Targeted at scholars, researchers, and advanced students in International Business, Entrepreneurship, and related fields, this monograph is an essential resource for understanding the complexities of early internationalization. It provides valuable insights into the international growth of small and medium-sized enterprises (SMEs) and the factors that influence their success in global markets

The Management Thought of Louis R. Pondy

David M. Boje, 2023-10-31 Louis R. Pondy was a leading management and organizational studies scholar whose work on open systems helped launch and define the future of the field. This book offers an assessment of Pondy's contribution through critical reflection on what happened to the relationship between conflict theory and beyond open systems. Exploring the ways in which Louis R. Pondy theorizes conflict and systems and how he challenged the status quo paradigms, this book offers a historical analysis on Pondy's work and the relation to contemporary management theory. The author develops a Triple Loop framework building on Pondy's theories as well as the work of Gregory Bateson to demonstrate a beyond open systems approach and existing single or double loop systems. Demonstrating the value and legacy of Louis R. Pondy, this book will have international appeal to researchers, academics, and students across management disciplines and organizational studies, including systems thinking and conflict resolution.

Academic-Practitioner Relationships

The People's Hotel Katherine

Sobering,2022-08-08 In 2001 Argentina experienced a massive economic crisis businesses went bankrupt unemployment spiked and nearly half the population fell below the poverty line In the midst of the crisis Buenos Aires s iconic twenty story Hotel Bauen quietly closed its doors forcing longtime hospitality workers out of their jobs Rather than leaving the luxury hotel vacant a group of former employees occupied the property and kept it open In The People s Hotel Katherine Sobering recounts the history of the Hotel Bauen detailing its transformation from a privately owned business into a worker cooperative one where decisions were made democratically jobs were rotated and all members were paid equally Combining ethnographic and archival research with her own experiences as a volunteer worker at the hotel Sobering examines how the Bauen Cooperative grew and against all odds successfully kept the hotel open for nearly two decades Highlighting successes and innovations alongside the many challenges that these workers faced Sobering presents a vivid portrait of efforts to address inequality and reorganize work in a capitalist economy

Handbook of Research on Strategic Human Capital

Resources Anthony J. Nyberg,Thomas P. Moliterno,2019-12-27 Strategic human capital resources are a relatively new construct with a scholarly literature that is still evolving Work in this area requires the integration of multiple theoretical perspectives and empirical approaches but that integration rarely occurs Within these pages the editors have combined the

voices of leading scholars from a wide range of disciplinary backgrounds to provide a comprehensive introduction to the current state of the field The Cambridge Handbook of Workplace Affect Liu-Qin Yang,Russell Cropanzano,Catherine S. Daus,Vicente Martínez-Tur,2020-07-16 Are you struggling to improve a hostile or uncomfortable environment at work or interested in how such tension can arise Experts in organizational psychology management science social psychology and communication science show you how to implement interventions and programs to manage workplace emotion The connection between workplace affect and relevant challenges in our society such as diversity and technological changes is undeniable thus learning to harness that knowledge can revolutionize your performance in tackling workday issues Applying major theoretical perspectives and research methodologies this book outlines the concepts of display rules emotional labor work motivation well being and discrete emotions Understanding these ideas will show you how affect can promote team effectiveness leadership and conflict resolution If you require a foundation for understanding workplace affect or a springboard into deeper more interdisciplinary research this book presents an integrative approach that is indispensable
