contemporary examples a lot of laughter and frequent jokes I m joking dear ah I m joking so much But then every now and then he would remind students I m not joking when I say I m joking Compiled and edited by Nicholas Ribush this book is the second volume in a series of Lama Yeshe s collected teachings the first volume being Knowledge Wisdom The Peaceful Path to Liberation Since the topics are similar there is a little repetition but according to Lama Zopa Rinpoche repetition never hurts This is not an academic work and is essentially an introduction to fundamental Tibetan Buddhist teachings on refuge and bodhicitta
