Information Basics For College Students:

Information Basics for College Students Karen Sobel, 2012-04-17 Librarians have long looked for a single comprehensive text to provide a solid introduction to the art and craft of instruction. With this book now they have it. **Information Basics for College Students** provides critical information and knowledge relevant to library instructors both for those just starting out in the field as well as experienced and seasoned pros all in a single volume. It approaches topics directly relevant to instruction such as preparation, assessment, teaching techniques, and communication with academic faculty. It also provides invaluable guidance for new instructors in developing personal processes by which they can continue learning such as strategies for evaluating new classroom technologies and recommended national organizations for library instructors. The book also details the various roles that library instructors can play in campus planning and governance activities that can be instrumental to career growth and advancement. **Information Basics for College Students** is essential reading for academic library instructors as well as those who are training to provide academic library instruction. Academic faculty and teachers interested in development of research skills at the college level will also benefit from selected sections of this book.

Brief Alcohol Screening and Intervention for College Students (BASICS) Linda A. Dimeff, 1999-01-08 This instructive manual presents a pragmatic and clinically proven approach to the prevention and treatment of undergraduate alcohol abuse. The BASICS model is a nonconfrontational harm reduction approach that helps students reduce their alcohol consumption and decrease the behavioral and health risks associated with heavy drinking. Including numerous reproducible handouts and assessment forms, the book takes readers step by step through conducting BASICS assessment and feedback sessions. Special topics covered include the use of DSM IV criteria to evaluate alcohol abuse, ways to counter student defensiveness about drinking, and obtaining additional treatment for students with severe alcohol dependency.
