On Solid Ground David

Goldsmith,2023-01-10 On Solid Ground illustrates what geologists know about the earth by telling the stories of the people who made major geological discoveries It also chronicles the doubters and nay sayers who have worked so hard to undermine our understanding of the earth Each chapter of this book contains three things the human story of a geologic controversy an explanation of why geologists are so sure about the right answer to that controversy and a short discussion of the logical fallacies being used by those still unwilling to accept geologic expertise

William Inge Jackson R. Bryer,Mary C.

Hartig,2014-05-23 William Inge s popular plays of the 1950s received Tony nominations Bus Stop 1956 and Dark at the Top of the Stairs 1958 and won a Pulitzer Prize Picnic 1953 As a screenwriter he won an Academy Award Splendor in the Grass 1961 Yet Inge s career ended in perceived failure depression and finally suicide These previously unpublished essays take a fresh look at some of his most popular work as well as his less well known later plays Inge s work was often ahead of its time and foreshadowed the influence of popular media and advertising the sexual revolution and the women s movement The essays give context for Inge s work within twentieth century American drama and attest to his exceptional talent Included are reminiscences which reveal the playwright s charm and generosity and shed light on how a brilliant troubled man eventually took his own life

Cultural Legal Studies

Cassandra Sharp,Marett Leiboff,2015-07-24 What can law s popular cultures do for law as a constitutive and interrogative critical practice This collection explores such a question through the lens of the cultural legal studies movement which proffers a new encounter with the cultural turn in law and legal theory

Moving beyond the law and literature humanities culture film visual and aesthetics on which it is based this book demonstrates how the techniques and practices of cultural legal studies can be used to metamorphose law and the legalities that underpin its popular imaginary By drawing on three different modes of cultural legal studies storytelling technology and jurisprudence the collection showcases the intersectional practices of cultural legal studies and law in its popular cultural mode The contributors to the collection deploy differentiated modes of cultural legal studies practice adopting diverse philosophical disciplinary methodological and theoretical approaches and subjects of examination The collection draws on this mix of diversity and homogeneity to thread together its overarching theme that we must take seriously an interrogation of law as culture and in its cultural form That is it does not ask how a text represents law but rather how the representational nature of both law and culture intersect so that the juridical become visible in various cultural manifestations In short it asks how law's popular cultures actively effect the metamorphosis of law

Interconnectivity, Subversion, and Healing in World Christianity Afe Adogame, Aminta Arrington, 2023-07-13 The rise of Christianity around the world has been the impetus for much religious and social change The interconnectivity of religious centers has resulted in theological dialogue and innovation The subversion of long held categories of culture gender race spirituality theology and politics has naturally occurred along with the transgressing of borders and boundaries Yet at the same time there has been occasion for healing through intercultural experiences of forgiveness peacemaking and reconciliation Stimulated by the work and mentorship of Joel Carpenter who has done much to expand the study of world Christianity less through focusing on his own research and writing and more through amplifying the voices of others the international contributors to this volume from all six continents promote a deeper understanding of World Christianity through the exploration of such related themes Whether discussing primal spirituality in northeast India white supremacy in South Africa evangelical women and civic engagement in Kenya or Calvinism in Mexico the contributors draw upon ethnographic case studies to more deeply understand interconnectivity subversion and healing in World Christianity Their essays provoke a reorientation of Christian thought within the study of World Christianity enriching the current discourse and promoting vistas for further interdisciplinary studies
