Murphy,2004-06 In Love War and Other White Lies Tony presents two separate diaries

One deals mostly with love and general topics The second covers the Iraqi War and other subjects Tony s approach is humorous sarcastic and serious all in different measure Tony wants to open peoples minds to the other possible reasons for war and entertain the reader with his love poetry and other poetry Tony wants the reader to see the parallels between the white lies we tell in our relationships to avoid hurting the other person and the small lies our government tells us because they know better Tony believes if one looks at the Communist scare of the 1950 s and compares that to the Terrorist scare of today we need to examine our foreign policy to see if we are being fair to everyone Just as in the 1950 s those who have different views are being seen as less patriotic or sympathizers Tony would like to say freedom of expression is the true litmus test of a free society and the degree of freedom matches the tolerance to express oneself freely Tony believes the true patriot protects the right of free expression for all Americans God Bless America *The Fox Film Corporation, 1915-1935* Aubrey Solomon,2014-01-10 In 1929 Hollywood mogul William Fox 1879 1952 came close to controlling the entire motion picture industry His Fox Film Corporation had grown from a 1600 investment into a globe spanning 300 million empire he also held patents to the new sound on film process Forced into a series of bitter power struggles Fox was ultimately toppled from his throne and the studio bearing his name would merge in 1935 with Darryl F Zanuck s flourishing 20th Century Pictures The 25 year lifespan of the Fox Film Corporation home of such personalities as Theda Bara Tom Mix Janet Gaynor and John Ford is chronicled in this thorough illustrated history Included are never before published financial figures revealing costs and grosses of Fox s biggest successes and failures and a detailed filmography of the studio s 1100 plus releases among them *What Price Glory* *Seventh Heaven* and the Oscar winning *Cavalcade* **Frank Miller's Daredevil and the Ends of Heroism** Paul Young,2016-07-27 2017 EISNER AWARD NOMINEE for Best Academic Scholarly Work In the late 1970s and early 1980s writer artist Frank Miller turned Daredevil from a tepid selling comic into an industry wide success story doubling its sales within three years Lawyer by day and costumed vigilante by night the character of Daredevil was the perfect vehicle for the explorations of heroic ideals and violence that would come to define Miller s work Frank Miller s Daredevil and the Ends of Heroism is both a rigorous study of Miller s artistic influences and innovations and a reflection on how his visionary work on Daredevil impacted generations of comics publishers creators and fans Paul Young explores the accomplishments of Miller the writer who fused hardboiled crime stories with superhero comics while reimagining Kingpin a classic Spider Man nemesis recuperating the half baked villain Bullseye and inventing a completely new kind of Daredevil villain in Elektra Yet he also offers a vivid appreciation of the indelible panels drawn by Miller the artist taking a fresh look at his distinctive page layouts and lines A childhood fan of Miller s Daredevil Young takes readers on a personal journey as he seeks to reconcile his love for the comic with his distaste for the fascistic overtones of Miller s controversial later work What he finds will resonate not only with Daredevil fans but with anyone who has contemplated what it means to be a hero in a heartless world Other titles in the Comics Culture series include *Twelve Cent Archie Wonder*
