to Dance Periodicals ,1957 The Book Buyer's Guide ,1964 **Blackout** Chris Lamb,2004-01-01 Chronicles the story of Jackie Robinson s first spring training during 1946 a time when America was struggling with racism and segregation as well as with the impact of the Second World War documenting the player s ordeal on and off the field the reaction of the black and white communities the influence of the press and Robinson s own determination and anxieties **Bibliography of Agriculture** ,1955 *Law Notes Guide to the New Property Statutes* H. Gibson Rivington,Arthur Clifford Fountaine,1926
The Columbia Guide to Modern Chinese History R. Keith Schoppa,2000-08-05 China the world s oldest and most populous state remains an enigma to most people in the West even at a time when that country is playing an increasingly prominent role on the international stage At the heart of modern Chinese history have been the efforts of the Chinese people to transform their polity into a modern nation state the Confucian orthodoxy into an ideology that can help direct that process and an agrarian economy into an industrial one These efforts are ongoing and of great importance This book is both an introduction to the major features of modern Chinese history and a resource for researchers interested in virtually any topic relating to the Chinese experience of the last 220 years This valuable reference contains a historical narrative providing a comprehensive overview of five core aspects of Chinese history domestic politics society the economy the world of culture and thought and relations with the outside world a compendium of 250 short descriptive articles on key figures events and terms a resource guide containing approximately 500 annotated entries for the most authoritative sources for further research in English as well as descriptions of important films depicting modern China and a guide to electronic resources and appendices including a chronology excerpts from key primary source documents and a wealth of tables and graphs on demographic social and economic trends **Resources in Education** ,1991-07 *United Farmers' Guide* ,1927 **The Theatre and Films of Conor McPherson** Eamonn Jordan,2019-02-21 The spellbinding premiere of *The Weir* at the Royal Court in 1997 was the first of many works to bring Conor McPherson to the attention of the theatre going public Acclaimed plays followed including *Shining City* *The Seafarer* *The Night Alive* and *Girl from the North Country* garnering international acclaim and being regularly produced around the globe McPherson has also had significant successes as a theatre director film director and screenwriter most notably with his award winning screenplay for *I Went Down* This companion offers a detailed and engaging critical analysis of the plays and films of Conor McPherson It considers issues of gender and class disparity violence and wealth in the cultural and political contexts in which the work is written and performed as well as the inclusion of song sound the supernatural religious and pagan festive sensibilities through which initial genre perceptions are nudged elsewhere towards the unconscious and ineffable Supplemented by a number of contributed critical and performance perspectives including an interview with Conor McPherson this is a book to be read by theatre audiences performance makers and students who wish to explore contextualize and situate McPherson s provocative exquisite and generation defining writings and performances *Notes and Queries* ,1910 **Network Guide** ,1985 **Morbid Magic** Tomás

Prower, 2019-09-08 *The Ultimate Book on Macabre Lore Spiritual Traditions from Yesterday Today* Written with a mix of reverence approachability and deadpan wit by a funeral industry insider *Morbid Magic* is the first multi cultural guide to death spirituality and traditions from all over the world and from different historical eras Tom s Prower presents an impressive array of topics including each culture s views on the hereafter mourning periods the deceased s legacy handling of remains and more Discover the lore and magic of death both on the physical and spiritual planes Explore hands on activities spells and prayers that will open your eyes to new practices Experience personal stories and anecdotes by modern people from various regions and religions This fascinating book makes death a more approachable topic and helps you understand and utilize the profound wisdom of cultures around the globe From Judaism in the Middle East to shamanism in East Asia *Morbid Magic* presents an amazing in depth look at how the world deals with death

Doing Oral History Donald A. Ritchie, 2014-09-19 *Doing Oral History* is considered the premier guidebook to oral history used by professional oral historians public historians archivists and genealogists as a core text in college courses and throughout the public history community Over the past decades the development of digital audio and video recording technology has continued to alter the practice of oral history making it even easier to produce quality recordings and to disseminate them on the Internet This basic manual offers detailed advice on setting up an oral history project conducting interviews making video recordings preserving oral history collections in archives and libraries and teaching and presenting oral history Using the existing Q A format the third edition asks new questions and augments previous answers with new material particularly in these areas

- 1 Technology As before the book avoids recommending specific equipment but weighs the merits of the types of technology available for audio and video recording transcription preservation and dissemination Information about web sites is expanded and more discussion is provided about how other oral history projects have posted their interviews online
- 2 Teaching The new edition addresses the use of oral history in online teaching It also expands the discussion of Institutional Review Boards IRBs with the latest information about compliance issues
- 3 Presentation Once interviews have been conducted there are many opportunities for creative presentation There is much new material available on innovative forms of presentation developed over the last decade including interpretive dance and other public performances
- 4 Legal considerations The recent Boston College case in which the courts have ruled that Irish police should have access to sealed oral history transcripts has re focused attention on the problems of protecting donor restrictions The new edition offers case studies from the past decade
- 5 Theory and Memory As a beginner s manual *Doing Oral History* has not dealt extensively with theoretical issues on the grounds that these emerge best from practice But the third edition includes the latest thinking about memory and provides a sample of some of the theoretical issues surrounding oral sources It will include examples of increased studies into catastrophe and trauma and the special considerations these have generated for interviewers
- 6 Internationalism Perhaps the biggest development in the past decade has been the spreading of oral history around the world facilitated in part by the

International Oral History Association New oral history projects have developed in areas that have undergone social and political upheavals where the traditional archives reflect the old regimes particularly in Eastern Europe the Middle East Asia Africa and Latin America The third edition includes many more references to non U S projects that will still be relevant to an American audience These changes make the third edition of Doing Oral History an even more useful tool for beginners teachers archivists and all those oral history managers who have inherited older collections that must be converted to the latest technology
