The History of a Lie Herman Bernstein,1921 The History of a Lie Herman Bernstein,1921 Deals with the origins of the Protocols of the Elders of Zion Both versions of the Protocols The text first published by Nilus in 1905 and the text published by Butmi in 1907 had two sources a chapter from the novel To Sedan from the series Biarritz by the German antisemitic writer Hermann Goedsche who wrote under the pseudonym of Sir John Retcliffe translated into Russian in 1872 and The Rabbi s Speech by the same author Both versions of the forgery pursued political goals and were amended by Nilus and Butmi according to the topic of the day After World War I Western publishers of the Protocols identified the Wise Men of Zion with the Bolsheviks **The History of a Lie: "The Protocols of the Wise Men of Zion"** Herman

Bernstein,2019-11-25 In *The History of a Lie* The Protocols of the Wise Men of Zion Herman Bernstein meticulously deconstructs the notorious anti Semitic propaganda piece known as the Protocols Through rigorous examination of historical context and literary technique Bernstein exposes the origins fabrication process and widespread ramifications of this document written in the early 20th century His scholarly approach combines investigative journalism with socio political analysis creating a compelling narrative that reveals how a single deceit has fueled hatred and discrimination against Jewish communities for over a century Herman Bernstein was an accomplished journalist and editor deeply affected by the wave of anti Semitic sentiment that plagued his time His commitment to exposing truth and advocating for human rights influenced his desire to illuminate the damaging power of myths and lies Bernstein s rich background in both Eastern European Jewish culture and American journalism provided him with a unique perspective to confront these issues head on making his work not only relevant but also essential in its historical context This book is an invaluable resource for anyone seeking to understand the mechanisms of deception and hatred in society Bernstein s timely exploration serves as a cautionary tale relevant to contemporary discourse urging readers to critically engage with sources of information and recognize the importance of combating prejudice in all its forms **HISTORY OF A LIE** HERMAN. hatred Using material he has collected over the past thirty years Nick Toczek tells their story This is the first complete history of The Britons which was the most prolific and influential advocate of extreme prejudice against all things Jewish not least as the publishers of that notorious forgery The Protocols of the Elders of Zion Likewise his is the first biography of Beamish Putting both The Britons and Beamish into context this book also examines and explains their precursors their contemporaries and their legacy Here then are detailed accounts of hundreds of anti Jewish organisations and individuals These include the late Victorian anti Semitism of Arnold White and the British Brothers League the curious life of Rotha Lintorn Orman who was the unlikely founder of British Fascisti Britain s first fascist party Anglo American supporters of Hitler the lives and roles of extreme haters such as Arnold Leese and Colin Jordan and the whole history of The Protocols including the key role played by American motor magnate Henry Ford This shocking history of hatred takes us from South Africa to Nazi Germany America to Rhodesia

The Plot: The Secret Story of The Protocols of the Elders of Zion Will Eisner, 2006-05-17 A work more disturbing than fiction from the father of graphic novels New York Times The ultimate illustration of how absurdly comical and cancerous The Protocols has been to mankind Thane Rosenbaum Los Angeles Times Book Review The Plot which examines the astonishing conspiracy and the fabrication of The Protocols of the Elders of Zion has become a worldwide phenomenon since its hardcover publication taught in classrooms around the globe Purported to be the actual blueprints by Jewish leaders to take over the world the Protocols first published in 1902 have become gospel truth to international millions Presenting a pageant of historical figures from nineteenth century Russia to today s ideologues including Tsar Nicholas II Henry Ford and Adolf Hitler Will Eisner unravels and dispels one of the most devastating hoaxes of the twentieth century
