of the author, in the *Journal of Health Politics*.

While product identification numbers in the clearing markets section, denoted by a small "i" in the column to help in locating the position should it be listed. You should also check these numbers when you enter orders if the market is open in the morning, since the identification numbers in a contract change with the market.

Warning is provided as part of the site's expert report to be followed with care and safety. The experts are not liable for the safety of the site. The experts are not liable for the safety of the site.

The warranty provides you the assurance that there will be no defects within 18 months after the warranty period. In some circumstances, there are product fault requirements, plus other things to be considered, such as the product is not a warranty. Should the equipment be abused, or needed to change its performance beyond the original factory specifications, the warranty will become void and any fault repairs may be denied. Using the wrong spare parts or other components may void the warranty. It is recommended that you use the original spare parts.

Only qualified, experienced operators, strictly licensed according to local law, should be allowed to operate the machine. Moreover, only strictly licensed personnel should be allowed to inspect, service the machine.

All information, figures and specifications in this manual are based on the latest product information available at the time of publication. This will be corrected in future editions as new data become available.
