*Homefront* Jessica Scott, 2015-04-07      **The American Homefront During WWII** C D Peterson, 2024-09-30 Captures the transformation of America during WWII highlighting daily life wartime economy and the profound patriotism that united the nation Don't you know there's a war on Use it up Wear it out Make it do Or do without Loose Lips Sink Ships Any Bonds Today Remember Pearl Harbor Those were the slogans Americans called out to each other on the home front during WWII They forged their days surrounded by fellow patriots sharing in the greatest endeavor of their lives winning the war The American Home Front in WWII presents the striking story of those times starting with little known events well before Pearl Harbor the clashes between isolationists and those favoring intervention and America's first peacetime draft The shock of Pearl Harbor transformed America from a peacetime country to a full wartime economy Factories produced an airplane every sixty one minutes Women and Blacks entered the workforce as never before bringing about earthshaking changes Americans describe in their own words the rigors of everyday life rationing air raid drills rigging up black curtains and scrap drives But Americans found ways to enjoy themselves movie attendance swelled with films such as Casablanca while Broadway brought audiences Oklahoma The music of Glen Miller and the voice of a skinny newcomer named Frank Sinatra had Americans swinging and swooning The American Home Front in WWII brings this story to life to capture the extraordinary level of patriotism and teamwork on the home front It truly was a time when there were no strangers      *Homefront* Scott James Magner, 2014-10-23 Set against the backdrop of a far future Earth struggling to reinvent itself after a technological disaster Homefront is an uncompromising adventure story about what it truly means to be human Jantine is a Beta a genetically modified super soldier charged with establishing a hidden colony on Earth When her expedition arrives in the middle of a civil war she must choose her allies wisely or be exterminated Featuring complex characters and edge of your seat action sequences Homefront will have readers guessing until the last page      **Homefront** Kristen Tsetsi, 2007 I had never had a better understanding of the agony of military separation until I read Kristen Tsetsi's haunting and lyrical debut novel Homefront Tsetsi who writes with the power of an old soul artfully deconstructs aspirations and fears to show us that love even under the best of conditions is little more than an artifact of an imperfect heart and an inexplicable emptiness we can never name She turns a discerning eye on the human condition and leaves us with great sympathy for her characters and ourselves while also providing us the unsettling knowledge that we are all to blame for what we allow to happen in both love and war James Moore author of Bush's Brain      **A Promise Born: A WWII Homefront Romance** Cara Putman, 2017-03-25 Do not decide what I can handle All I want is honesty If you're going to steal a kiss you'd better explain why I'm not good enough Tears pricked her eyes and she batted against them I deserve that A heartwarming WWII historical from award winning author Cara Putman In the midst of World War II when the Navy WAVES give Evelyn Happ the chance to get out of Washington DC and contribute to the war effort she can't leave fast enough The fact that she can use her college degree to

contribute to the war effort makes the assignment even better She arrives in Dayton Ohio to learn the engineers and military professionals don't take her seriously at all Why is it so hard to believe that she's more than a pretty face Mark Miller believes the WAVES are an unneeded distraction the top secret project he's assigned to is critical to the war and he and his team must focus on cracking the enigma code Nothing they try works until a beautiful ensign offers solutions that help the engineers succeed in their mission He's not sure what to think about her but has to admit that she's brilliant enough to see the problem from a fresh perspective He's never met anyone like her and wants to know more When the actions of a spy put both Mark and Evelyn under suspicion their loyalties to the country and each other are tested Will their blossoming relationship survive or be another casualty of war Click send a free sample and start reading now Other books in this series Canteen Dreams Sandhill Dreams Captive Dreams A Promise Forged A Promise Kept *The Victorian Homefront* Louise L. Office of War Information, 1943 *Buying Power* Lawrence B. Glickman, 2009-06-10 A definitive history of consumer activism *Buying Power* traces the lineage of this political tradition back to our nation's founding revealing that Americans used purchasing power to support causes and punish enemies long before the word boycott even entered our lexicon Taking the

Boston Tea Party as his starting point Lawrence Glickman argues that the rejection of British imports by revolutionary patriots inaugurated a continuous series of consumer boycotts campaigns for safe and ethical consumption and efforts to make goods more broadly accessible He explores abolitionist led efforts to eschew slave made goods African American consumer campaigns against Jim Crow a 1930s refusal of silk from fascist Japan and emerging contemporary movements like slow food Uncovering previously unknown episodes and analyzing famous events from a fresh perspective Glickman illuminates moments when consumer activism intersected with political and civil rights movements He also sheds new light on activists relationship with the consumer movement which gave rise to lobbies like the National Consumers League and Consumers Union as well as ill fated legislation to create a federal Consumer Protection Agency
