Home Automation For Dummies By Spivey Dwight 2015 Paperback:

Home Automation For Dummies Dwight Spivey, 2015-02-23 Ready to control your house with your smartphone or tablet Spivey shows you how to control thermostats, home security systems and much more. Best of all with these plain English instructions you can do it yourself. *Home Automation For Dummies* Dwight Spivey, 2015-02-09 The easy way to control your home appliances. Do you want to control common household appliances and amenities from your smartphone or tablet wherever you happen to be? *Home Automation For Dummies* guides you through installing and setting up app-controlled devices in your home such as heating and air conditioning, lighting, multimedia systems, game consoles, and security and monitoring devices, and even suggests popular products to consider. The saturation of the mobile market with smart devices has led to an upsurge in domestic devices such as thermostats, refrigerators, smoke detectors, security systems, among others that can be controlled by those devices. Both Google and Apple offer fully integrated solutions for connecting mobile devices to home theater and audio systems, and now Google has branched out into smart thermostats and smoke detectors. If you've caught the bug and want to get your feet wet in this cool new phenomenon, *Home Automation For Dummies* gives you plain English, step-by-step instructions for techifying your home without breaking a sweat. Provides clear instructions on remotely controlling your home appliances. Shows you how to set preferences to automatically adjust lighting or temperature. Explores digital life hacks that explain how non-app-ready appliances can be controlled via smart phones using third-party go-betweens. Covers an emerging segment of the industry that was one of the primary focuses of this year's Consumer Electronic Show. If you're looking to find new ways to simplify and better control your home environment using app-driven devices, your phone or tablet, *Home Automation For Dummies* makes it easier. **Smart Homes for Dummies** Daniel D. Briere, 2003 **Smart Homes For Dummies** Danny Briere, Pat Hurley, 2007-07-23 Do you long to listen to your favorite CD from anywhere in your house? To set up a wireless network so you can access the Internet in any room? To install an iron-clad security system? To fire up the coffee pot while you're still asleep and wake up with automated lighting? Smart home technology can help you do just that. *Smart Homes For Dummies* Third Edition shows you how easy it can be to create and live in a cutting-edge, fully connected home without breaking your bank account. With this user-friendly guide, you'll discover all the latest trends and gadgets in home networking, automation, and control that will help you make life more enjoyable and comfortable for your entire family. We help you plan for things such as flat-screen TVs, intercom systems, whole-home audio systems, gaming consoles, and satellite systems. We talk about your wiring and wireless options and introduce you to the latest technologies such as VoIP and Bluetooth. You'll see how to build your home network on a budget. Turn your home into an entertainment center. Access the Internet from any room. Get VoIP on your phone network. Boost in-home wireless and cell phone signals. Connect your computer to your TV. Secure your home and property. Increase your home's resale value. Avoid common networking pitfalls. And much, much more. Complete with a resource list for more information and neat toys of the
