Homilies Alive Francis P. Friedl, Ed Macauley, 1994 Here are ten basic fundamentals of good preaching that will make anyone's homilies come alive from back cover Masters of Preaching Ray E. Atwood, 2013-12-19 Who were Catholicism's greatest orators What was the key to their effectiveness Was it mere scholastic ability or spiritual inspiration The answer is both In this follow up work Father Ray E Atwood examines the lives theologies and preaching examples of the Church's greatest preachers This book tells the story in biographical form of Catholic preaching from the Old Testament through today concluding with the homilies of Benedict XVI Masters of Preaching takes the reader around the world in search of homiletic gems Readers will learn about the stories of familiar figures such as Saint Gregory the Great and less familiar figures such as Monsignor Francis Friedl Readers will also discover how these men moved their congregations to deeper faith and greater understanding of the mysteries of salvation Two appendices at the end of the book serve as a terrific resource for those looking for practical illustrations of lectionary themes This book is an excellent resource for anyone interested in the subjects of public speaking and Church history **God's Word is Alive!** Alice L. Camille, 1998 God's Word Is Alive offers sound material for breaking open every reading of all three liturgical cycles for Sundays and holy days alike Reflection questions and points for action a calendar for the liturgical year that goes up to year 2010 plus an index of Scripture readings that takes the reader through the Bible in sequential order add to the value of this book *Pastoral Music*, 1993 **Elenchus of Biblica**, 1993 Living with the Sermon Robert P. Hoch-Yidokodiltona, 2024-09-05 In Living with the Sermon readers will find a friendly companion to the preaching life With humor personal stories theological musings and practical signposts for those who live with the sermon Robert Hoch Yidokodiltona explores the highs and lows of the preaching life you will learn not only techniques for preaching but also how the life of the preacher is haunted by holy things There is according to Robert a wink and peek to the preaching life some playful mischief some mystery and yet in a practical spirit down to earth signposts to help along the way Whether you have been in the pulpit for many years or have just begun the journey this work will add to your wisdom and joy in the preaching life **Living the Sermon on the Mount in Difficult Times** Andrew Bolton, 2025-09-24 Living the Sermon on the Mount in difficult times is part of what it means to follow Jesus the Peaceful One Jesus not only taught it he lived it This introduction for all kinds of Christians examines the revolutionary content of Jesus Sermon on the Mount in the context of the brutal Roman empire Then it surveys stories of those who struggled to faithfully live this Scripture in the messiness of their own difficult times What does this history look like from perspective of the cross Violence served Roman European and American empires well but crucified their victims This text seeks to feminize and decolonize the debate as to whether the Sermon on the Mount is relevant today then ask how relevant the just war tradition and Christian realism are for addressing the big human security questions of the twenty first century climate change poverty mass migration racism populism and nuclear weapons Learning from the past can we begin to develop a new robust

Christian realism that takes seriously the Sermon on the Mount and finds in it a way of salvation for our own difficult poly crisis times This book can be read individually and also as a group study *Mędzy ciągłością a zmianą* Henryk Sławiński, 2008 **Preaching God's Word, Second Edition** Terry G.
