Haunted Toledo Chris Bores, 2022-09 Discover the ghostly lore of Glass City. The city of Toledo is rich in tradition and history, including a lively collection of spooky tales and odd occurrences. A murdered maid and a bashful child are but two of numerous restless spirits roaming the notoriously haunted Oliver House. The nuns of St. Ursula's Academy, now the Collingwood Arts Center, tend the campus in death as they did in life. Supernatural events at the Toledo Yacht Club may be explained by its little-known history. Employees of the Toledo Zoo have reported strange things after hours, and the Franklin Park Mall, the airport, and even a Rite Aid have their own chilling stories. Pinpointing fifty locations across the city, paranormal expert Chris Bores uncovers Toledo's haunted history. **Katarsis** Mary Elisabeth D'Angelo, 2024-11-13 Eldergrove, a long

forgotten village in the shadows of an ancient and relentless forest is haunted by dark forces A sinister presence lingers above the treetops sealing the fate of the young who vanish without a trace When Richard Breckenridge returns to his hometown he finds himself plunged into a nightmare upon realizing that his own daughter Sophie is about to be claimed by the cursed forest In a tense plot of horror and suspense Richard joins Jacob his childhood friend to uncover the buried secrets of Eldergrove As the dark forces intensify whispers of ancient rituals and sacrifices demanded by dormant entities emerge from the shadows With every step the forest becomes a living labyrinth of horrors weaving memories of a traumatic past that refuses to stay buried As the forest s powerful presence tightens its grip Richard and Jacob find themselves in a desperate race against time Bound by ties of love and despair they must confront not only the terrors lurking around them but also the hidden truths that threaten to destroy everything they hold dear In an electrifying climax the shadows begin to close in and the village faces the final decision what will become of Eldergrove s fate when the battle between light and darkness reaches its peak When the last resistance fails a devastating truth comes to light an unspeakable secret that may cost more than their lives But in the dark end as Sophie s fate hangs in the balance the question remains is there truly an escape from this living nightmare or has the forest already claimed its final tribute
