Lion Italian Freedom American Culture

Robert Pack, Jay Parini

Lion Italian Freedom American Culture:

The Routledge History of Italian Americans William Connell, Stanislao Pugliese, 2017-09-27 The Routledge History of Italian Americans weaves a narrative of the trials and triumphs of one of the nation's largest ethnic groups. This history, comprising original essays by leading scholars and critics, addresses themes that include the Columbian legacy, immigration, the labor movement, discrimination, anarchism, Fascism, World War II, patriotism, assimilation, gender identity, and popular culture. This landmark volume offers a clear and accessible overview of work in the growing academic field of Italian American Studies. Rich illustrations bring the story to life, drawing out the aspects of Italian American history and culture that make this ethnic group essential to the American experience. *Making Italian America* Simone Cinotto, 2021-05-20 Fourteen cultural history essays exploring the relationship between Italian Americans, consumer culture, and the American identity. How do immigrants and their children forge their identities in a new land? And how does the ethnic culture they create thrive in the larger society? *Making Italian America* brings together new scholarship on the cultural history of consumption, immigration, and ethnic marketing to explore these questions by focusing on the case of an ethnic group whose material culture and lifestyles have been central to American life. Italian Americans, as embodied in fashion, film, food, popular music, sports, and many other representations and commodities, Italian American identities have profoundly fascinated, disturbed, and influenced American and global culture. Discussing in fresh ways topics as diverse as immigrant women's fashion, critiques of consumerism in Italian immigrant radicalism, the Italian American influence in early rock and roll, ethnic tourism in Little Italy, and Guido subculture, *Making Italian America* recasts Italian immigrants and their children as active consumers who, since the turn of the twentieth century, have creatively managed to articulate relations of race, gender, and class and create distinctive lifestyles out of materials the marketplace offered to them. The success of these mostly working-class people in making their everyday culture meaningful to them as well as in shaping an ethnic identity that appealed to a wider public of shoppers and spectators looms large in the political history of consumption. *Making Italian America* appraises how immigrants and their children redesigned the market to suit their tastes and in the process made Italian American identities a lure for millions of consumers. Fourteen essays explore Italian American history in the light of consumer culture across more than a century-long intense movement of people, goods, money, ideas, and images between Italy and the United States, a diasporic exchange that has transformed both nations. Simone Cinotto builds an analytical framework for understanding the ways in which ethnic and racial groups have shaped their collective identities and negotiated their place in the consumers' emporium and marketplace. Grounded in the new scholarship in transnational US history and the transfer of cultural patterns, *Making Italian America* illuminates the crucial role that consumption has had in shaping the ethnic culture and diasporic identities of Italians in America. It also illustrates vividly why and how those same identities incorporated in commodities, commercial leisure, and popular representations have become the object of desire for millions of American and

global consumers This compelling and innovative volume captures the complexities of the pivotal role of consumption in the historical formation of transnational Italian American taste positing a distinctive diasporic consumer culture that continues its importance today Richly interdisciplinary the collection represents an exciting new resource for scholars and students alike Marilyn Halter Boston University

Personal Effects Nancy Caronia, Edvige Giunta, 2014-10-15 Celebrating one of the most important Italian American female authors of our time Personal Effects offers a lucid view of Louise DeSalvo as a writer who has produced a vast and provocative body of memoir writing a scholar who has enriched our understanding of Virginia Woolf and a teacher who has transformed countless lives More than an anthology Personal Effects represents an author case study and an example for modern Italian American interdisciplinary scholarship Personal Effects examines DeSalvo's memoirs as works that push the boundaries of the most controversial genre of the past few decades In these works the author fearlessly explores issues such as immigration domesticity war adultery illness mental health sexuality the environment and trauma through the lens of gender ethnic and working class identity Alongside her groundbreaking scholarship DeSalvo's memoirs attest to the power and influence of this feminist Italian American writer Return Narratives Theodora D. Patrona, 2017-08-29 This book is a comparative study of six Italian American and Greek American literary works written in the three last decades of the 20th century and examined in pairs Based on the common theme of the authors return either metaphorical or literal to the country of origin and its culture Return Narratives explores the common motifs of mythology ritual and storytelling where the third generation writers resort to in their quest for self definition With a common historical and cultural background in the old neighboring countries Greece and Italy and a similar reception in the new world facilitating a comparative approach the ethnic writers of the two literatures clearly envisage ethnic space as a site of resilience and empowerment

American Identities Robert Pack, Jay Parini, 1994 Contemporary commentators have observed that postmodern America is less a melting pot than a buffet table In American Identities people of diverse ethnic religious social gender and sexual backgrounds refuse to merge but insist on a multiplicity of well maintained identities editors Robert Pack and Jay Parini explain This sixth volume in the popular Bread Loaf Anthology series gathers more than three dozen voices who testify that there is no single American Experience but instead a multiplicity of experiences These poems stories and essays describe in occasionally stark sometimes humorous and often moving terms what it means to be black and American or gay and American or Latino and American or Jewish and American within this society Sabato Rodia's Towers in Watts Luisa Del Giudice, 2021-05-20 A rich array of perspectives on the creative work of the eccentric immigrant laborer who created one of the most mysterious landmarks of Los Angeles Donna Gabaccia Professor of History University of Minnesota The Watts Towers wondrous objects of art and architecture were created over the course of three decades by a determined single minded artist Sabato Rodia an Italian immigrant laborer who wanted to do something big Now a National Historic Landmark and internationally renowned destination the Watts Towers in Los Angeles are both a

personal artistic expression and a collective symbol of Nuestro Pueblo Our Town Our People Featuring fresh and innovative examinations Sabato Rodia's Towers in Watts revisits the man and his towers In 1919 Rodia purchased a triangular plot of land in a multiethnic working class semi rural district He set to work on an unusual building project in his own yard By night Rodia dreamed and excogitated and by day he built He experimented with form color texture cement mixtures and construction techniques He built tore down and rebuilt As an artist completely possessed by his work he was often derided as an incomprehensible crazy man Providing a multifaceted holistic understanding of Rodia the towers and the cultural social physical environment within which the towers and their maker can be understood this book compiles essays from twenty authors offering perspectives from the arts the communities involved in the preservation and interpretation of the towers and the academy Most of the contributions originated at two interdisciplinary conferences held in Los Angeles and in Italy and the collection as a whole is a well rounded tribute to one man's tenacious labor of love A portion of royalties will go to support the work of the Watts Towers Arts Center

A Semiotic of Ethnicity Anthony Julian Tamburri, 1998-09-11 Using semiotics as a theoretical foundation this book reexamines the notion of the hyphenate writer It argues for an analogous set of categories no longer chronologically or generationally based but cognitively based so that the traditionally considered first stage or first generation hyphenate writer now figures as an expressive writer who is not necessarily part of the immigrant or first American born generations He or she may actually belong to a later generation and write about his or her ethnicity with those characteristics more readily associated with the first stage hyphenate writer

Write Like a Man Ronnie Grinberg, 2024-03-26 How virility and Jewishness became hallmarks of postwar New York's combative intellectual scene In the years following World War II the New York intellectuals became some of the most renowned critics and writers in the country Although mostly male and Jewish this prominent group also included women and non Jews Yet all of its members embraced a secular Jewish machismo that became a defining characteristic of the contemporary experience Write like a Man examines how the New York intellectuals shared a uniquely American conception of Jewish masculinity that prized verbal confrontation polemical aggression and an unflinching style of argumentation Ronnie Grinberg paints illuminating portraits of figures such as Norman Mailer Hannah Arendt Lionel and Diana Trilling Mary McCarthy Norman Podhoretz Midge Decter and Irving Howe She describes how their construction of Jewish masculinity helped to propel the American Jew from outsider to insider even as they clashed over its meaning in a deeply anxious project of self definition Along the way Grinberg sheds light on their fraught encounters with the most contentious issues and ideas of the day from student radicalism and the civil rights movement to feminism Freudianism and neoconservatism A spellbinding chronicle of mid century America Write like a Man shows how a combative and intellectually grounded vision of Jewish manhood contributed to the masculinization of intellectual life and shaped some of the most important political and cultural debates of

the postwar era Who's who Among Italian Americans ,1993 **Journal of American Culture** ,1997 A Companion to Latin American Literature and Culture Sara Castro-Klaren,2013-06-04 A COMPANION TO LATIN AMERICAN LITERATURE AND CULTURE The work contains a wealth of information that must surely provide the basic material for a number of study modules It should find a place on the library shelves of all institutions where Latin American studies form part of the curriculum Reference Review In short this is a fascinating panoply that goes from a reevaluation of pre Columbian America to an intriguing consideration of recent developments in the debate on the modern and postmodern Summing Up Recommended CHOICE A Companion to Latin American Literature and Culture reflects the changes that have taken place in cultural theory and literary criticism since the latter part of the twentieth century Written by more than thirty experts in cultural theory literary history and literary criticism this authoritative and up to date reference places major authors in the complex cultural and historical contexts that have compelled their distinctive fiction essays and poetry This allows the reader to more accurately interpret the esteemed but demanding literature of authors such as Jorge Luis Borges Mario Vargas Llosa Octavio Paz and Diamela Eltit Key authors whose work has defined a period or defied borders as in the cases of Sor Juana In s de la Cruz C sar Vallejo and Gabriel Garc a M rquez are also discussed in historical and theoretical context Additional essays engage the reader with in depth discussions of forms and genres and discussions of architecture music and film This text provides the historical background to help the reader understand the people and culture that have defined Latin American literature and its reception Each chapter also includes short selected bibliographic guides and recommendations for further reading **House & Garden** ,1918 The Modern Cultural Myth of the Decline and Fall of the Roman Empire Jonathan Theodore,2016-08-13 This book investigates the decline and fall of Rome as perceived and imagined in aspects of British and American culture and thought from the late nineteenth through the early twenty first centuries It explores the ways in which writers filmmakers and the media have conceptualized this process and the parallels they have drawn deliberately or unconsciously to their contemporary world Jonathan Theodore argues that the decline and fall of Rome is no straightforward historical fact but a myth in terms coined by Claude L vi Strauss meaning not a falsehood but a complex social and ideological construct Instead it represents the fears of European and American thinkers as they confront the perceived instability and pitfalls of the civilization to which they belonged The material gathered in this book illustrates the value of this idea as a spatiotemporal concept rather than a historical event a narrative with its own unique moral purpose

Greater Gotham Mike Wallace,2017-09-04 In this utterly immersive volume Mike Wallace captures the swings of prosperity and downturn from the 1898 skyscraper driven boom to the Bankers Panic of 1907 the labor upheaval and violent repression during and after the First World War Here is New York on a whole new scale moving from national to global prominence an urban dynamo driven by restless ambition boundless energy immigrant dreams and Wall Street greed Within the first two decades of the twentieth century a newly consolidated New York grew exponentially The city exploded into the

air with skyscrapers jostling for prominence and dove deep into the bedrock where massive underground networks of subways water pipes and electrical conduits sprawled beneath the city to serve a surging population of New Yorkers from all walks of life New York was transformed in these two decades as the world's second largest city and now its financial capital thriving and sustained by the city's seemingly unlimited potential Wallace's new book matches its predecessor in pure page turning appeal and takes America's greatest city to new heights *The Elgar Companion to the Arts and Global*

Multiculturalism Sneja Gunew, Nikos Papastergiadis, Fazal Rizvi, Paula Muraca, 2025-04-09 This Companion examines the evolution of multiculturalism as a political philosophy public policy and cultural practice Demonstrating the key role of artists activists and migrants in the inception of multiculturalism it explores how to renew the concept for the modern world extending the possibilities of social belonging and communal relations [OSS Foreign Nationalities Branch Files, 1942-1945](#)

United States. Office of Strategic Services. Foreign Nationalities Branch, 1988 Documents consist of departmental memos and reports correspondence with individuals and press clippings and press reports which deal with American Jewish groups during 1942 1945 as well as issues relating to Palestine Jews and Jewish refugees during World War II **The**

Italian Cinema Book Peter Bondanella, 2019-07-25 THE ITALIAN CINEMA BOOK is an essential guide to the most important historical aesthetic and cultural aspects of Italian cinema from 1895 to the present day With contributions from 39 leading international scholars the book is structured around six chronologically organised sections THE SILENT ERA 1895 22 THE BIRTH OF THE TALKIES AND THE FASCIST ERA 1922 45 POSTWAR CINEMATIC CULTURE 1945 59 THE GOLDEN AGE OF ITALIAN CINEMA 1960 80 AN AGE OF CRISIS TRANSITION AND CONSOLIDATION 1981 TO THE PRESENT NEW DIRECTIONS IN CRITICAL APPROACHES TO ITALIAN CINEMA Acutely aware of the contemporary rethinking of Italian cinema history Peter Bondanella has brought together a diverse range of essays which represent the cutting edge of Italian film theory and criticism This provocative collection will provide the film student scholar or enthusiast with a comprehensive understanding of the major developments in what might be called twentieth century Italy's greatest and most original art form *Intimacy and Italian Migration* Loretta Baldassar, Donna R. Gabaccia, 2011 Loretta Baldassar is Associate Professor of Anthropology and Sociology at the University of Western Australia
