Lionel Asbo The State Of England:

Lionel Asbo Martin Amis, 2012-08-21 By turns outrageous and touching an exuberant Dickensian satire of crime celebrity and modern culture from one of the most gifted novelists of his generation TIME One of Amis's funniest novels The New Yorker Des Pepperdine is a boy out of place He lives on the thirty third floor of a London housing project while his peers pick fights Des retreats to the public library What's more Des's uncle and guardian Lionel Asbo is one of the most notorious petty criminals in the city Yet Lionel full of inept devotion to his nephew dutifully teaches Des the essentials of becoming a man always carry a knife pornography is easier than dating pit bulls should be fed Tabasco sauce To survive these lessons Des seeks solace in a covert romantic union that would fill Lionel with rage But just as Des begins to lead a healthier life Lionel wins 140 million in the lottery The money ushers in a public relations firm for Lionel along with a cannily ambitious topless model poet Through it all Lionel remains his vicious oddly loyal self and his problems as well as Des's only seem to multiply

Lionel Asbo: State of England Martin Amis, 2026-08-25 *Lionel Asbo* Martin Amis, 2012-08-21 A savage funny and mysteriously poignant saga by a renowned author at the height of his powers Lionel Asbo a terrifying yet weirdly loyal thug self named after England's notorious Anti Social Behaviour Order has always looked out for his ward and nephew the orphaned Desmond Pepperdine He provides him with fatherly career advice always carry a knife for example and is determined they should share the joys of pit bulls fed with lots of Tabasco sauce Internet porn and all manner of more serious criminality Des on the other hand desires nothing more than books to read and a girl to love and to protect a family secret that could be the death of him But just as he begins to lead a gentler healthier life his uncle once again in a London prison wins 140 million in the lottery and upon his release hires a public relations firm and begins dating a cannily ambitious topless model and poet Strangely however Lionel's true nature remains uncompromised while his problems and therefore also Desmond's seem only to multiply

Contemporary Trauma Narratives Jean-Michel Ganteau,Susana Onega,2014-06-27 This book provides a comprehensive compilation of essays on the relationship between formal experimentation and ethics in a number of generically hybrid or liminal narratives dealing with individual and collective traumas running the spectrum from the testimonial novel and the fictional autobiography to the fake memoir written by a variety of famous more neglected contemporary British Irish US Canadian and German writers Building on the psychological insights and theorizing of the fathers of trauma studies Janet Freud Ferenczi and of contemporary trauma critics and theorists the articles examine the narrative strategies structural experimentations and hybridizations of forms paying special attention to the way in which the texts fight the unrepresentability of trauma by performing rather than representing it The ethicality or unethicity involved in this endeavor is assessed from the combined perspectives of the non foundational non cognitive discursive ethics of alterity inspired by Emmanuel Levinas and the ethics of vulnerability This approach makes Contemporary Trauma Narratives an excellent resource for scholars of contemporary literature trauma studies and literary theory **Locating Class**

Subjectivities Simon Lee,2022-05-30 Locating Classed Subjectivities explores representations of social class in British fiction through the lens of spatial theory and analysis By analyzing a range of class conscious texts from the nineteenth twentieth and twenty first centuries the collection provides an overview of the way British writers mobilized spatial aesthetics as a means to comment on the intricacies of social class In doing so the collection delineates aesthetic strategies of representation in British writing tracing the development of literary forms while considering how authors mobilized innovative spatial metaphors to better express contingent social and economic realities Ranging in coverage from early nineteenth century narratives of disease to contemporary writing on the working class millennial Locating Classed Subjectivities offers new perspectives on literary techniques and political intentions exploring the way class is parsed and critiqued through British writing across three centuries As such the project responds to Nigel Thrift and Peter Williams s claim that literary and cultural production serves as a particularly rich yet unexamined access point by which to comprehend the way space and social class intersect **Poverty in Contemporary Literature** B. The Comic Turn in Contemporary English Fiction Huw Marsh, 2020-07-09 The Comic Turn in Contemporary English Fiction explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present

History of the British Isles is a balanced and integrated political social cultural and religious history of the British Isles in all its complexity exploring the constantly evolving dialogue and relationship between the past and the present A wide range of topics and questions are addressed for each period and territory discussed including England s Wars of the Roses of the 15th century and their influence on court politics during the 16th century Ireland s Rebellion of 1798 the Potato Famine of the 1840s and the Easter Rising of 1916 the two World Wars and the Great Depression British cultural and social change during the 1960s and the history and future of the British Isles in the present day Kenneth Campbell integrates the histories of England Ireland Scotland and Wales by exploring common themes and drawing on comparative examples while also demonstrating how those histories are different making this a genuinely integrated text Campbell s approach allows readers to appreciate the history of the British Isles not just for its own sake but for the purposes of understanding our current political divisions our world and ourselves **The grotesque in contemporary British fiction** Robert Duggan,2016-05-16

The grotesque in contemporary British fiction reveals the extent to which the grotesque endures as a dominant artistic mode in British fiction and presents a new way of understanding six authors who have been at the forefront of British literature

over the past four decades Starting with a sophisticated exploration of the historical development of the grotesque in literature the book outlines the aesthetic trajectories of Angela Carter Martin Amis Ian McEwan Iain Banks Will Self and Toby Litt and offers detailed critical readings of key works of modern fiction including *The Bloody Chamber* 1979 *Money* 1984 *The Child in Time* 1987 *The Wasp Factory* 1984 *Great Apes* 1997 and *Ghost Story* 2004 The book shows how the grotesque continues to be a powerful force in contemporary writing and provides an illuminating picture of often controversial aspects of recent fiction

The Great British Dream Factory Dominic Sandbrook, 2015-10-01 SPECTATOR BOOKS OF THE YEAR 2015 Britain's empire has gone Our manufacturing base is a shadow of its former self the Royal Navy has been reduced to a skeleton In military diplomatic and economic terms we no longer matter as we once did And yet there is still one area in which we can legitimately claim superpower status our popular culture It is extraordinary to think that one British writer J K Rowling has sold more than 400 million books that Doctor Who is watched in almost every developed country in the world that James Bond has been the central character in the longest running film series in history that The Lord of the Rings is the second best selling novel ever written behind only A Tale of Two Cities that the Beatles are still the best selling musical group of all time and that only Shakespeare and the Bible have sold more books than Agatha Christie To put it simply no country on earth relative to its size has contributed more to the modern imagination This is a book about the success and the meaning of Britain's modern popular culture from Bond and the Beatles to heavy metal and Coronation Street from the Angry Young Men to Harry Potter from Damien Hirst to The X Factor

Figures of Catastrophe Francis Mulhern, 2016-02-16 A bold new vision of the modern English novel The leading critic Francis Mulhern uncovers a hidden history in the fiction of the past century identifying a central new genre the condition of culture novel Reading across and against the grain of received patterns of literary association tracing a line from Hardy and Forster through Woolf Waugh and Bowen to Barstow Fowles Rendell Naipaul Amis Kureishi and Smith he elucidates the recurring topics and narrative logics of the genre showing how culture emerges as a special ground of social conflict above all between classes The narrative evaluations of culture's ends the aspirations and the destinies of those whose lives are the subject of these novels grow steadily darker over time and the writing itself grows more introverted A concluding discussion elicits the characteristics of the English condition of culture novel in an international setting and closes in finally on the central conundrum of the genre its uncanny reprise in its own plane of the historical arc of the modern labour movement in Britain from its beginnings in the late nineteenth century through its post war heyday to the seemingly inexorable decline of recent decades
