**Peaceful at Heart** Don Neufeld,Steve Thomas,2019-05-31 While there are plenty of books by men for men on the topic of Christian masculinity these books generally fail to address men's propensities for violence and the traditional inequity between men and women often endorsing inequity and sanctioning aggressive behavior as an appropriate manly response to conflict Peaceful at Heart cuts through this conversation by offering a uniquely Anabaptist Christian perspective on masculinity The vision of masculinity presented in this book is more peaceful just caring life giving for men and more sensitive to women and children than both traditional images of masculinity and the hypermasculine images promoted by contemporary popular culture and wider evangelical Christianity Peaceful at Heart addresses men and masculinity using Anabaptist theological themes of discipleship community and peace As a collaborative project by men for men this book demonstrates through personal narratives theological reflection and practical guidance the importance of collective discernment accountability and mutual encouragement regarding how to live as a peaceful man in a violent world

[Hide This in Your Heart](#) Michael Frost,Graham Joseph Hill,2020 In this new resource by two leaders of the worldwide missional church movement Scripture memorization is put to new use helping believers in Jesus to become active partners in

proclaiming and demonstrating that the Kingdom of God is living and active and good for the world Back cover *Antoine Frédéric Ozanam* Raymond L. Sickinger, 2017-06-30 Raymond Sickinger's biography of Antoine Frédéric Ozanam is more than a chronological account of Ozanam's relatively brief but extraordinary life. It is also a comprehensive study of a man who touched many lives as a teacher, writer, and principal founder of the Society of St. Vincent de Paul. Ozanam's life encompassed a particularly turbulent time in French history, and he was a witness to two major political upheavals: the overthrow of the Bourbon dynasty that brought Louis Philippe to power in 1830 and the end of Louis Philippe's Bourgeois Monarchy as a result of the 1848 Revolutions. This book examines Ozanam's life in a number of ways. First, it explores the various roles he played throughout his life: son, sibling, student, member of, and an inspiration for the Society of St. Vincent de Paul; spouse and father; scholar and spokesperson for the common people. Second, it examines the lessons he learned in his life, including the importance of friendship, the meaning of solidarity, and the role and purpose of suffering among many others that he shares with those who study his thought and work. It concludes with an account of Ozanam's enduring legacy. Antoine Frédéric Ozanam feared that he would not have a fruitful career, but his legacy remains a powerful testimony to his greatness. This book will interest scholars wishing to know more about Ozanam and the period in which he lived, as well as a wider audience, including those who are aware of or are members of the Society of St. Vincent de Paul. **Prayer Seeds** Joyce Rupp, 2017-03-03 Named one of the 50 best spiritual books of 2017 by Spirituality Practice, Winner of a 2018 Catholic Press Association Award, Prayer Collections First Place, and a 2018 Association of Catholic Publishers Award, Prayer Spirituality First Place. Some of Sr. Joyce Rupp's most perennially popular books have been collections of her original prayers, blessings, poems, and reflections. In *Prayer Seeds*, the bestselling author and retreat leader offers almost a hundred new selections on a variety of themes, such as the feasts and seasons of the liturgical year, compassion, ministry, difficult times, and important events, all suitable for personal or group prayer. People who attend Rupp's retreats or workshops often approach her to ask for a copy of a prayer that she composed for the event. In 2000, she collected her prayers in the book *Out of the Ordinary*. In *Prayer Seeds*, Rupp follows up with about a hundred never-before-published prayers written since the publication of the first collection. The prayers are organized thematically. Rupp's warmth and closeness to God, along with her sensitivity to the joy and sadness of life, make her an ideal prayer companion. Her prayers are like seeds planted in your soul. Tended and watered by love, they will grow and bear a rich harvest in your life. Communication Skills for Working with Children and Young People Pat Petrie, 2011 Rev. ed. of *Communicating with children and infants* 2nd ed. 1997 First Order of Business Judith Marsh Carlson, 2018-09-17 Spiritual resource for Bible study and reflection discussion prior to church meetings. After years as a member of parish staffs and as a congregational and diocesan consultant, Judith Carlson became increasingly aware how seldom Bible study or some spiritual component is incorporated into church meetings. Even when they want to, busy lay people worry it will take too much time or aren't sure what scripture to use or fear they don't know enough about the Bible.

Clergy too despite good intentions often have trouble finding time to prepare something This simple model provides a way to add the missing and needed spiritual dimension First Order of Business contains 36 brief sessions 12 minutes a piece Each has a scripture passage and three open ended reflection questions open ended to fit a variety of situations though not automatically suggesting right answers and allowing some genuine reflection in a non threatening way Carlson s hope is that allowing space for the Spirit s presence can transform ordinary business as usual into a broader more spiritual context for a group s work of mission or ministry
