Wisdom June Boyce-Tillman, 2016-04-08 Early Christianity saw women in positions of authority and a fluid theology that included feminine figures in the notion of the Divine However for centuries a male trinity has dominated theology with the characteristics of triumphalism clarity order eternity and unity Unconventional Wisdom examines the attempt within the last half of the twentieth century to unearth the hidden theological tradition of feminine Wisdom The book presents the work of influential theorists notably Foucault Belenky and Dorothy Smith The recovery of the feminine in the divine is linked with the rediscovery of subjugated value systems and what this might mean for ecclesiology *Chemical Sensors* Ghenadii

Gorman, 2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life-giving mission of God manifested in the ministry death and resurrection of Jesus As God's children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis **Electron Technology** ,2000 *Encyklopädisches Wörterbuch oder alphabetische Erklärung aller Wörter aus fremden Sprachen, die im Deutschen angenommen sind* ,1800 **A Holistic Soteriology in an African Context** Veikko Munyika, 2004 *Hall Effect Devices* R.S.
