Hardball Retrospective Evaluating Scouting And Development Outcomes For The Modern Era Franchises:

Hardball Retrospective Derek Bain, 2015 Would your favorite baseball team make the playoffs if player X had not been traded Imagine your team s roster from any particular year Remove all of the players that your team acquired through trades and free agency Would you be able to field a competitive team All right let us re populate the roster with every player that the organization originally drafted and signed Yes we will include undrafted free agents and foreign players who signed with their first Major League team as well How does the team stack up now Is the club better or worse than the squad that you imagined at first In **Hardball Retrospective** I placed every ballplayer in the modern era from 1901 present on their original teams Using a variety of advanced statistics and methods I generated revised standings for each season based entirely on the performance of each team s original players I discuss every team s original players and seasons at length along with organizational performance with respect to the Amateur Draft or First Year Player Draft amateur free agent signings and other methods of player acquisition Season standings WAR and Win Shares totals for the original teams are compared against the real time or actual team results to assess each franchise s scouting development and general management skills Edited by Marianne Landrum Foreword by Don Daglow [Hardball Retrospective - Addendum 2014 To 2016](#) Derek Bain, 2017-09-17 This book supplements my research for **Hardball Retrospective** providing retroactive standings based on Wins Above Replacement WAR and Win Shares WS for each original team over the past three seasons 2014 2016 Team totals from 2010 2013 are included for reference purposes In **Hardball Retrospective Evaluating Scouting and Development Outcomes for the Modern Era Franchises** I placed every ballplayer in the modern era from 1901 2013 on their original team I calculated revised standings for every season based entirely on the performance of each team s original players I discuss every team s original players and seasons at length along with organizational performance with respect to the Amateur Draft or First Year Player Draft amateur free agent signings and other methods of player acquisition Season standings WAR and Win Shares totals for the original teams are compared against the actual team results to assess each franchise s scouting development and general management skills **Hardball Retroactive** Derek Bain, 2018-06-28 **Hardball Retroactive** is a modest collection of selected articles that I have written for Seamheads com along with my Baseball Analytics blog since 2010 Each piece is chosen based on audience response a combination of social media likes replies to a particular essay along with my personal favorites Exclusive content is incorporated into the book additional charts and graphs that were omitted from the original posts as well as three new compositions General Manager Scorecard and the Worst Trades chapters evaluates the front office acumen of top MLB executives since 1950 Taking the Extra Base examines the art of base running on an individual and team basis Trivia for one of the most breathtaking plays in baseball is chronicled in Fun Facts About Inside the Park Home Runs The Journey From Expansion to Competitive Team chronicles the path to success for each franchise established since 1960 Rotisserie vs Reality measures organizational performance by the standard Fantasy Baseball

categories The Best Pitchers Who Never Threw a No Hitter are determined based on Sabermetric principles BABIP By Location is a comprehensive look at individual and league statistics with regards to batted balls in play The WBC is reimagined back to the dawn of professional ball in Baseball Birthplaces and the Retro World Baseball Classic Rediscover your favorite hardball arcade and simulations in Play Retro Baseball Video Games In Your Browser Minors vs Majors assesses every franchise's minor league successes and failures in relation to their major league operations **Future Value** Eric Longenhagen, Kiley McDaniel, 2021-04-27 An unprecedented look inside the world of baseball scouting and evaluation from two of the industry's top prospect analysts For the modern Major League team player evaluation is a complex multi pronged high tech pursuit But far from becoming obsolete in this environment as Michael Lewis Moneyball once forecast the role of the scout in today's game has evolved and even expanded Rather than being the antithesis of a data driven approach scouting now represents an essential analytical component in a team's arsenal Future Value is a thorough dive into baseball's changing world of talent acquisition and development a world with its own language methods metrics and madness From rural high schools to elite amateur showcases from the back fields of spring training to major league draft rooms Eric Longenhagen and Kiley McDaniel break down the key systems and techniques used to assess talent It's a process that has moved beyond the quintessential stopwatches and radar guns to include statistical models countless measurable indicators and a broader international reach Practical and probing discussing wide ranging topics from tool grades to front office politics this is an illuminating exploration of how to watch baseball and see the future
