Hardcore [C]loser Ryan Stewman,2015-08-14 This isn t some Rah Rah bullshit book that s designed to make you feel good about having a fucked up life I wrote this book to show those of you out there that are in the struggle what s possible if you work for it Nothing in life is free Everything costs money or time Allow me to save you both by reading this book Some of the stories you will read in this book will be hard to believe but they are true nonetheless I ve replayed many of these scenes and scripts in my mind a thousand times trying to figure out how in the hell things went down the way they did At age seven I was adopted by my step dad at age eight I was put to work by my step dad at age 17 I dropped out of school at age 21 I was in prison at 23 divorced at 24 I filed for bankruptcy at 27 I was in federal prison again at 28 I was divorced a second time and

at 35 divorced a third time And that s just the 50 000 foot view This book will explain it all and how it was all part of a plan from the universe to push me out of my comfort zone and into the hands of everyday winners like you I wrote this book to show those who are oppressed with their past that it doesn t matter if you can develop skills The timelines may not be exact so just go with the flow and enjoy the story It s about the big picture not a timeline of when shit went down Look at each chapter as its own individual story When it happened is not really as important as the fact that it did happen Join me as I share my journey and all of the ups and downs it took me on with you Oh and for protection purposes the names of people have been changed Also if you re a cop or government entity this is all entirely fiction so chill
