annotations bring to life Arizona's territorial capital of Prescott more than one hundred years ago Lily gives us firsthand accounts of the operation of territorial government of pressure from Anglo settlers to dispossess Pima Indians from their land and of efforts by the governor and the army to deal with Indian scares Here also underlying her words are insights into the dynamics of a close knit Victorian family shaping the life of an intelligent educated single woman As unofficial secretary for her father Lily was well placed to observe and record an almost constant stream of visitors to the governor's home and office Observe and record she did Her diary is filled with unvarnished images of personalities such as the Goldwaters General O B Willcox Moses Sherman Judge Charles Silent and a host of lesser citizens politicians and army officers Lily's anecdotes vividly re create the periodic personality clashes that polarized society and one full fledged scandal the ever present danger of fire religious practices particularly a burial service conducted in Hebrew and attitudes toward Native Americans and Chinese On a more personal level the reader will find intimate accounts of John Fr mont's obsession with mining promotion his complicated business dealings with Judge Silent and his attempts to recoup his family's sagging fortune Here especially Lily outlines a telling profile of her father a man roundly castigated then and now as a carpetbagger less interested in promoting Arizona's interests than his own For students of western history Lily Fr mont's diary provides a wealth of fresh information on frontier politics mining army life social customs and ethnicity For all readers her words from a century ago offer new perspectives on the winning of the West as well as fascinating glimpses of a world that once was and is no more
