Lily La Tigresse Hebrew Literature:

Lily la Tigresse Alona Kimhi, 2013-11-14 The hilarious second novel from actress and bestselling novelist Alona Kimhi holds up a comically warped mirror to contemporary Israel as well as the very notion of chick lit Inhabiting a dark fairy tale version of modern life drawing equal inspiration from Angela Carter and the iconography of the classic horror movie this is the story of Lily our proudly overweight and romantically unlucky protagonist who discovers a wild freedom in part through her friendship with a Russian prostitute Ninush This is a world of cellulite dissolving panties sex change as an outlet for self expression and the final triumph of the titular tigress where metamorphosis is the rule and where the waking world has become a funhouse prowled by our wildest desires **Modern Hebrew Literature** ,2004 **Multiculturalism in Israel**

Adia Mendelson-Maoz, 2015-03-15 By analyzing its position within the struggles for recognition and reception of different national and ethnic cultural groups this book offers a bold new picture of Israeli literature Through comparative discussion of the literatures of Palestinian citizens of Israel of Mizrahim of migrants from the former Soviet Union and of Ethiopian Israelis the author demonstrates an unexpected richness and diversity in the Israeli literary scene a reality very different from the monocultural image that Zionism aspired to create Drawing on a wide body of social and literary theory Mendelson Maoz compares and contrasts the literatures of the four communities she profiles In her discussion of the literature of the Palestinian citizens of Israel she presents the question of language and translation and she provides three case studies of particular authors and their reception Her study of Mizrahi literature adopts a chronological approach starting in the 1950s and proceeding toward contemporary Mizrahi writing while discussing questions of authenticity and self determination The discussion of Israeli literature written by immigrants from the former Soviet Union focuses both on authors who write Israeli literature in Russian and of Russian immigrants writing in Hebrew The final section of the book provides a valuable new discussion of the work of Ethiopian Israeli writers a group whose contributions have seldom been previously acknowledged The picture that emerges from this groundbreaking book replaces the traditional homogeneous historical narrative of Israeli literature with a diversity of voices a multiplicity of origins and a wide range of different perspectives In doing so it will provoke researchers in a wide range of cultural fields to look at the rich traditions that underlie it in new and fresh ways

Zeek ,2008 Netanya Dror Burstein, 2013-11-14 The plot of Dror Burstein s dazzling meditation consists of nothing more than the author s lying on a bench looking up at the night sky What results from this simple action is however a monologue whose scope is both personal and cosmic with Burstein s thoughts ricocheting between stories from his past and visions of the origin and end of the universe The result is a fascinating blend of reminiscence fiction and amateur science seeking to convey not only a personal story but the big picture in which the saga of life on Earth and of the stars that surround it have the same status as anecdotes about one s aunts and uncles With a tip of the hat to W G Sebald and Yoel Hoffmann Netanya seeks to transform human history into an intimate family story and demonstrates how the mind at play

can bring a little warmth into a cold universe
