Line Change Israels A New Zone For Ethan:

Line Change Mark Lichtenfeld,2013-09-01 Ethan Connors is a Chicago Jewish Academy senior who s also the toughest high school hockey defenseman in Illinois and he s landed an NCAA scholarship to prove it But Ethan never wanted Team USA to select him for the summer Maccabiah Games in Israel Now Ethan s forced to trade a lazy July and angry girlfriend for a shabby ice rink near Kiryat Shemona and a maniacal coach programmed for victory at all costs Ethan so wants to be done with this tournament and reclaim his social scene in Chicago But everything changes when American privilege battles a rugged week of Israeli border town hardship Now Ethan s stressing over his cushy hockey scholarship while his new Israeli peers face three year stints defending the Jewish State And when Ethan catches the eye of a sabra girl with shocking ties to Chicago he s suddenly forced to choose between his dreamy college free ride or the ultimate Jewish line change **Border**

Games Peter Andreas,2022-10-15 In this third edition of Border Games Peter Andreas charts the rise and transformation in policing the flow of drugs and migrants across the US Mexico border Recent border crackdowns and wall building campaigns he argues are not unprecedented Rather they are the outcome of an escalatory dynamic already in motion but now played out on a far bigger stage with higher stakes and in new security and political contexts Focusing on the power of symbolic politics and policy feedback effects Andreas traces the logic behind such buildup Border policing is an attractive political mechanism for handling the often unintended consequences of past policy choices signaling a commitment to territorial integrity and projecting an image of territorial authority Yet its negative aftermath is not only frequently glossed over it also fuels further escalation With new chapters on the border policies of the Obama Trump and Biden administrations Border Games continues to help readers grasp how the busiest border in the world is also one of the most fortified and why it plays such a complicated and contentious role in both domestic politics and US Mexico relations *Issues in Comparative Politics* CQ
