## **Lines In The Sand Justice And The Gulf War:**

Lines in the Sand Alan F. Geyer, Barbara Graham Green, 1992-01-01 Focuses on the moral issues surrounding the Persian Gulf War and examines the limits of the just war tradition for dealing with issues of war and peace      *Gender, Justice, and the Wars in Iraq* Laura Sjoberg, 2006-01-01 Gender Justice and the Wars in Iraq offers a feminist critique and reconstruction of just war theory It points out gender biases in the just war tradition and suggests alternative jus ad bellum and jus in bello standards that emphasize women political marginality and empathy Laura Sjoberg applies this feminist just war theory to analyze the wars in Iraq since the end of the Cold War the First Gulf War the war of sanctions and the Second Gulf War By examining international political discourse from and about Iraq it shows where war generally and just war specifically are gendered Through the stories of key just war characters like Jessica Lynch this book reveals where women are omitted and subordinated in global politics Sjoberg suggests that dialogue and empathy replace righteousness in just war thinking for the good of human safety everywhere and concludes with alternative visions of Gulf War policies inspired by feminist just war theory      *Michael Walzer on War and Justice* Brian Orend, 2001-03-01 In Michael Walzer on War and Justice Brian Orend offers the first clear and comprehensive look at Walzer's entire body of work He deals with controversial subjects from bullets blood and bombs to the distribution of money political power and health care and surveys both the national and the international fields of justice This is an important book that provides a thought provoking and critical look at some of the most pressing and controversial topics of our time      *Moral Constraints on War* Bruno Coppieters, N. Fotion, 2008-01-01 This second edition of Moral Constraints on War offers a principle by principle presentation of the trans cultural roots of the ethics of war in an age defined by the increasingly international nature of military intervention Parts one and two trace the evolution of Just War Theory analyzing the principles of jus ad bellum and jus in bello the principles that determine under what conditions a war may be started and then conducted Each chapter provides a historical background of the principle under discussion an explanation of the principle and numerous historical examples of its application In Part three case studies apply the theories discussed to NATO's humanitarian mission in Kosovo terrorism and the Iraq War Bringing together an international coterie of philosophers and political scientists this accessible and practical guide offers students of military ethics and international relations rich up to the minute insight into the pluralistic character of Just War Theory      *War and International Justice* Brian Orend, 2010-10-30 Can war ever be just By what right do we charge people with war crimes Can war itself be a crime What is a good peace treaty Since the Cold War ended in the early 1990s many wars have erupted inflaming such areas as the Persian Gulf Central Africa and Central Europe Brutalities committed during these conflicts have sparked new interest in the ethics of war and peace Brian Orend explores the ethics of war and peace from a Kantian perspective emphasizing human rights protection the rule of international law and a fully global concept of justice Contending that Kant's just war doctrine has not been given its due Orend displays Kant's theory to its fullest impressive

effect He then completely and clearly updates Kant's perspective for application to our time Along the way he criticizes pacifism and realism explores the nature of human rights protection during wartime and defends a theory of just war He also looks ahead to future developments in global institutional reform using cases from the Persian Gulf War Somalia Bosnia and Rwanda to illustrate his argument Controversial and timely perhaps the most important contribution War and International Justice A Kantian Perspective makes is with regard to the question of justice after war Orend offers a principled theory of war termination making an urgent plea to reform current international law **The Persian Gulf War** Alexander

Cruden, 2011-05-04 This volume introduces and provides a brief overview of major factors that contributed to the Persian Gulf War in the Middle East Then it offers an in depth multinational perspective on the controversies surrounding the war the current implications and long lasting effects Essays are compiled from a variety of sources and are carefully edited and introduced to provide context for readers unfamiliar with this war The last chapter presents readers with compelling first person narratives of people who lived through the Persian Gulf War and those who were directly impacted by it **Wise as**

**Serpents, Innocent as Doves** Keith Graber Miller, 1996 In July 1968 the Mennonite Central Committee MCC opened an office in Washington D C for monitoring the actions of the federal government's various branches Given American Mennonites long history of noninvolvement in political affairs this shift toward engagement was dramatic indeed In this in depth study Keith Graber Miller shows how the church's distinctive traditions of pacifism humility and service have informed and shaped the nature of its activities in Washington Graber Miller argues that Mennonites have both influenced the national policymaking debate and have themselves been influenced by their increasing exposure to it Wise As Serpents Innocent as Doves not only explores the twentieth century transformations among American Mennonites but illuminates the larger issues of religious lobbying in the nation's capital Graber Miller suggests that the Mennonites have helped redefine what it means to be a lobbyist Because the Mennonites numbers are too few to make them a politically significant force he argues their only credibility in Washington lies in an astute and accurate analysis of how the world is and in the integrity of their witness to the truth as they see it **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **An**

**Ethical Compass**, 2010-11-09 Offers essays on Bosnia the genocide in Rwanda sweatshops and globalization and the political obligations of the mothers of Argentina's Disappeared In this book readers may be fascinated by the ways in which essays on conflict conscience memory illness essay on AIDS and God overlap and resonate with one another **Persian**

**Gulf War** Kathlyn Gay, Martin Gay, 1996-01-01 Describes the circumstances leading up to Iraq's invasion of Kuwait and the political and military events of the Persian Gulf War using quotes from people directly involved **From the Eye of the**

**Storm**, 2022-07-04 From the Eye of the Storm Regional Conflicts and the Philosophy of Peace presents to the reader a cross section of an emerging field of study the philosophy of peace The editors bring together articles that explore the philosophic implications of many recent regional conflicts Reflecting the diversity and vitality and any new field of study this volume

contains five sections Conceptual Foundations America's Homefront Desert Storm Assessments Jihad Intifada and Other Mideast Concerns and Latin American Issues The topics of the articles include war militarism patriotism nationalism nonviolence conscientious objection feminist peace the media the ethics of the Gulf War the Israeli Palestinian conflict Islamic pacifism and Latin American resistance A concluding postscript assesses prospects for achieving peace and change within our fast changing international scene This volume has an extensive bibliography of writings concerning peace and conflict and is suited to professional and student audiences      *The Morality of War - Second Edition* Brian Orend, 2013-09-10

The first edition of *The Morality of War* was one of the most widely read and successful books ever written on the topic In this second edition Brian Orend builds on the substantial strengths of the first adding important new material on cyber warfare drone attacks the wrap up of Iraq and Afghanistan conflicts in Libya and Syria and protracted struggles like the Arab Israeli conflict Updated and streamlined throughout the book offers new research tools and case studies while keeping the winning blend of theory and history featured in the first edition This book remains an engaging and comprehensive examination of the ethics and practice of war and peace in today's world      **Modern Just War Theory** Michael P. Farrell, 2013-06-20

Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today's students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as those presented by the changing nature of warfare *Modern Just War Theory A Guide to Research* by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories *Modern Just War Theory* will appeal to students and scholars of theology military history international law and Christian ethics      *Saddam's War of Words* Jerry M. Long, 2009-08-17 From a Western

perspective the Persian Gulf War of 1990-1991 largely fulfilled the first President Bush's objective. In other words, it did it right the first time. That's the message. But in the Arab world, the causes and consequences of Saddam Hussein's invasion of Kuwait and his subsequent defeat by a U.S.-led coalition were never so clear-cut. The potent blend of Islam and Arab nationalism that Saddam forged to justify his invasion of a Muslim state gained remarkable support among both Muslims and Arabs and continued to resonate in the Middle East long after the fighting ended. Indeed, as this study argues, in passing it became a significant strand in the tangled web of ideologies and actions that led to the attacks of 9/11. This landmark book offers the first in-depth investigation of how Saddam Hussein used Islam and Arab nationalism to legitimate his invasion of Kuwait in the eyes of fellow Muslims and Arabs while delegitimizing the actions of the U.S.-led coalition and its Arab members. Jerry M. Long addresses three fundamental issues: how extensively and in what specific ways Iraq appealed to Islam during the Kuwait crisis; how elites, Islamists, and the elusive Arab street both in and out of the coalition responded to that appeal; and why they responded as they did, and the longer-term effects that resulted from Saddam's strategy.

**Casualties and Modern Ethics**  
 Richard B. Miller, 1996-11. Did the Gulf War defend moral principle or Western oil interests? Is violent pornography an act of free speech or an act of violence against women? In *Casualties and Modern Ethics*, Richard B. Miller sheds new light on the potential of casuistry, case-based reasoning, for resolving these and other questions of conscience raised by the practical quandaries of modern life. Rejecting the packaging of moral experience within simple descriptions and inflexible principles, Miller argues instead for identifying and making sense of the ethically salient features of individual cases. Because this practical approach must cope with a diverse array of experiences, Miller draws on a wide variety of diagnostic tools from such fields as philosophy, science, legal reasoning, theology, literary theory, hermeneutics, and moral philosophy. Opening new avenues for practical reasoning, Miller's interdisciplinary work will challenge scholars who are interested in the intersections of ethics and political philosophy, cultural criticism, and debates about method in religion and morality.

**The Morality of War**  
 Brian Orend, 2006-06-16. Brian Orend's *The Morality of War* promises to become the single most comprehensive and important book on just war for this generation. It moves far beyond the review of the standard just war categories to deal comprehensively with the new challenges of the conflict with terrorism. It thoughtfully reviews every major military conflict of the past few decades, mining them for implications of the evolving tradition of just war thinking. It concludes with a critical engagement with the major alternatives to just war thinking: pacifism and realism. It is, in short, the most comprehensive and thoughtful assessment of all aspects of just war since Michael Walzer's classic *Just and Unjust Wars*. Martin L. Cook, United States Air Force Academy.

**Champions of the Poor**  
 Barend A. DeVries, 1998-03-01. Barend A. de Vries, a distinguished international economist, examines the economic roots of poverty, the actions that can be taken to eradicate it, and the ethical case for integrating the poor into the mainstream of society. De Vries applies Judeo-Christian ethics, in particular the values of social justice and compassion for the poor, to the problem of poverty in both the United States and in developing countries.

Bringing together the insights of economists and ethicists he considers both the economic feasibility of religious views regarding the eradication of poverty and the ethical aspects of economic programs He analyzes the poverty of women resulting from discrimination the impact of environmental degradation on the poor the allocation of funding to military rather than social programs and the implications of the enormous debts incurred by poor countries In addressing these conditions he demonstrates the pressing need for action on both economic and ethical grounds *Champions of the Poor* offers an unbiased presentation of the ethical positions taken by Jews Catholics mainline Protestants and Evangelicals and stresses the need for all social sectors religious and secular business labor and government to work together to eradicate poverty By reassessing poverty from these seemingly disparate approaches it seeks to bring us closer to solving this age old problem

*Moral Constraints on War* Carl Ceulemans, Bruno Coppieters, Nicholas Fotion, 2020-01-30 This third edition of *Moral Constraints on War* offers a principle by principle presentation of the ethics of war as is found in the age old tradition of the Just War Parts one and two trace the evolution of Just War Theory analyzing the principles of *jus ad bellum* and *jus in bello* the principles that determine the conditions under which it is just to start a war and then conduct military operations Each chapter provides a historical background of the principle under discussion and an in depth analysis of its meaning More so than in the previous editions there is a special focus on the transcultural nature of the principles Besides theoretical clarifications each of the principles is also put to the test with numerous historical and contemporary examples In Part three Just War Theory is applied in three specific case studies the use of the atomic bomb against Japan in World War II the Korean War 1950-53 and the use of armed drones in the war on terror Bringing together an international coterie of philosophers and political scientists this accessible and practical guide offers both students of military ethics and of international relations rich up to date insights into the pluralistic character of Just War Theory

*Orthodox Christianity and Contemporary Europe* Jonathan Sutton, William Peter van den Bercken, 2003 This volume contains selected papers presented at a conference on Orthodox Christianity and its contemporary European setting The conference was held in England at the University of Leeds in June 2001 and drew together historians theologians philosophers specialists in theological education and political scientists Countries with an Orthodox Christian history were well represented as well as Orthodoxy in the diaspora and other Christian confessions by representatives from Western Europe and the United States and Canada The coherence of Orthodox Christianity and contemporary threats to its coherence formed one main strand for reflection but discussion also broadened out to consider the nature of religious tradition as such Part I of the collection brings together papers on such matters as identity nationalism globalization human rights discourse ecumenical dialogue and competing interpretations of what it means to be European Part II focuses on Orthodox Christianity in Russia and Part III on the traditionally Orthodox countries of Armenia Bulgaria Greece Romania Serbia and Ukraine The present collection is meant as a contribution to further reflection on Orthodox identity and relationship between Christianity and culture in Europe at the beginning of the twenty

first century      **When War Is Unjust, Second Edition** John Howard Yoder, 2001-10-10 Can a war really be considered just If so which wars and under what circumstances If not why not When War is Unjust provides a systematic exploration of these questions for students of ethics Christian doctrine and history For centuries the just war tradition has been the dominant framework for Christian thinking about organized conflict This tradition sets a number of specific conditions which must be satisfied before a particular war can be termed just and therefore supportable by the faithful Christians John Howard Yoder himself a pacifist approaches the just war theory on its own terms His purpose to introduce the student to this just war tradition and to offer a critical framework for evaluating its tenets and applying them to real conflicts When War is Unjust takes the just war tradition seriously and holds its proponents accountable in a critical debate about when if ever war can be justified It is a readable and thought provoking primer on the history criteria and application of just war teaching in Christian churches      War Crimes Trials and Investigations Jonathan Waterlow, Jacques Schuhmacher, 2018-01-31 This book represents the first multi disciplinary introduction to the study of war crimes trials and investigations It introduces readers to the numerous disciplines engaged with this complex subject including Forensic Anthropology Economics and Anthropometrics Legal History Violence Studies International Criminal Justice International Relations and Moral Philosophy The contributors are experts in their respective fields and the chapters highlight each discipline s major trends debates methods and approaches to mass atrocity genocide and crimes against humanity as well as their interactions with adjacent disciplines Case studies illustrate how the respective disciplines work in practice including examples from the Allied Hunger Blockade WWII the Guatemalan and Spanish Civil Wars the Former Yugoslavia and Uganda Including bibliographical essays to offer readers crucial orientation when approaching the specialist literature in each case this edited collection equips readers with what they need to know in order to navigate a complex and until now deeply fragmented field A diverse and interdisciplinary body of research this book will be indispensable reading for scholars of war crimes

## **Lines In The Sand Justice And The Gulf War Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Lines In The Sand Justice And The Gulf War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Lines In The Sand Justice And The Gulf War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Lines In The Sand Justice And The Gulf War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Lines In The Sand Justice And The Gulf War Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lines In The Sand Justice And The Gulf War is one of the best book in our library for free trial. We provide copy of Lines In The Sand Justice And The Gulf War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lines In The Sand Justice And The Gulf War. Where to download Lines In The Sand Justice And The Gulf War online for free? Are you looking for Lines In The Sand Justice And The Gulf War PDF? This is definitely going to save you time and cash in something you should think about.
