Freeman, 2015-08-11 Our obsession with bigger and faster is spinning us out of control We move through the week breathless and bustling just trying to keep up while longing to slow down But real life happens in the small moments the kind we find on Tuesday the most ordinary day of the week Tuesday carries moments we want to hold onto as well as ones we'd rather leave behind It holds secrets we can't see in a hurry secrets not just for our schedules but for our souls It offers us a simple bench on which to sit observe and share our stories For those being pulled under by the strong current of expectation comparison and hurry relief is found more in our small moments than in our fast movements In *Simply Tuesday* Emily P. Freeman helps readers stop dreading small beginnings and embrace today's work find contentment in the now even when the now is frustrating or discouraging replace competition with compassion learn to breathe in a breathless world Jesus lived small moments well slow moments fully and all moments free He lives with us still on all our ordinary days creating and redeeming the world both in us and through us one small moment at a time It's time to take back Tuesday to release our obsession with building a life and believe in the life Christ is building in us every day Barefoot Sharon Garlough Brown, 2016-11-01 The spiritual journey takes unexpected turns for the women of Sensible Shoes in this third book of the series Having been challenged to persevere in hope can they now embrace the joy of complete surrender Join these four women in a poignant story that reveals the joy that comes from laying our lives at the feet of God and standing barefoot on holy ground
