**How to Hear God** Pete Greig,2022-03-01 You were created to enjoy a real conversational relationship with God The

Bible says that hearing the voice of our Creator is both central and natural to our existence as humans When life falls apart we need God's comfort In moments of cultural turmoil we need his clarity Facing difficult decisions we need his guidance Desiring a deeper faith we need God to say something anything to turn the monologue we call prayer into a genuine conversation But how do we really hear God Nothing could possibly matter more than learning to discern his authentic voice and yet few things in life are more susceptible to delusion deception and downright abuse Having addressed God's silence in *God on Mute* and then *How to Pray* in his previous bestseller Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience *How to Hear God* Exploring the story of Christ's playful poignant conversation on the road to Emmaus after his resurrection Pete draws deeply from the insights of a wide range of Christian traditions weaving together the evangelical emphasis on hearing God in the Bible and the charismatic commitment to hearing God in the prophetic with the contemplative understanding of God's still small voice within Pete transcends the Christian tribalism of our day rooting us in something far more ancient unchanging timeless What the early Christians called the Way This ancient form of Christianity is the antidote to much of the modern church's pain The cure for our ills John Mark Comer      *The Prayer Driven Life* Robert Oh, 2011-11-01 What drives you Or what is the motivation or purpose of your life Robert Oh has traveled to close to fifty countries in his lifetime and met hundreds of thousands of God-fearing and God-loving people who are still asking the fundamental question of life What does God want me to do with my life At the end of your life you don't want to catch yourself saying That was it You see without God your life will be only earthly natural and predictable it won't be supernatural or godly You reap what you sow *The Prayer Driven Life* is an invitation to enter this incredible supernatural life fashioned by God and through your own prayer What does God want you to do with your life Why don't you ask Him Pray      **Contemporaries Meet the Classics On Prayer** Randall Harris, 2003-02 Short excerpts from both contemporary and classical writers offer a unique perspective on a timeless subject perfect for the current resurgence in interest on prayer Each chapter features a different aspect of prayer including its purpose successful practices and hindrances      **Feminist Trauma Theologies** Karen O'Donnell, Katie Cross, 2025-01-30 Throughout the study of trauma theology runs a lineage that is deeply feminist As traumatic experience is being more frequently acknowledged in public this book seeks to articulate an explicit understanding of feminist trauma theology for the first time Bringing together scholars from a range of disciplines this book explores the relationship between trauma and feminist theologies highlighting methodological theological and practical similarities between the two The MeToo and ChurchToo movements sexual abuse scandals gender-based violence pregnancy loss and the oppression of women in church spaces are all featured as important topics With contributions from a diverse team of scholars this book is an essential resource for all thinkers and practitioners who are trying to navigate the current conversations around theology suffering and feminism      *The Journey Out* Ken Williams, 2021-03-16 I didn't think there was a way out Many churches and individuals now affirm the gay Christian life and

cheer on LGBTQ Pride But what if the LGBTQ life isn't the party for our neighbors loved ones or ourselves that the world says it is What if these valuable people are in pain Pain that sex and Gay Pride
