How To Satisfy A Girlfriend In Bed:

Becoming Men Malose Langa, 2020-04-15 This vivid evocation of the lives of 32 boys from a Johannesburg township is essential reading for anybody wishing to understand black masculinity in South Africa. *Becoming Men* is the story of 32 boys from Alexandra, one of Johannesburg's largest townships, over a period of twelve seminal years in which they negotiate manhood and masculinity. Psychologist and academic Malose Langa has documented graphically what it means to be a young black man in contemporary South Africa. The boys discuss a range of topics including the impact of absent fathers, relationships with mothers, siblings and girls, school violence, academic performance, homophobia, gangsterism, unemployment, and in one case, prison life. Dominant themes that emerge are deep ambivalence, self-doubt and hesitation in the boys' approaches to alternative masculinities that are non-violent, non-sexist and non-risk-taking. The difficulties of negotiating the multiple voices of masculinity are exposed as many of the boys appear simultaneously to comply with and oppose the prevalent norms. Providing a rich interpretation of how emotional processes affect black adolescent boys, Langa suggests interventions and services to support and assist them, especially in reducing the high-risk behaviours generally associated with hegemonic masculinity. This is essential reading for students, researchers and scholars of gender studies who wish to understand manhood and masculinity in South Africa. Psychologists, youth workers, lay counsellors and teachers who work with adolescent boys will also find it invaluable.

How to Satisfy A Woman in Bed. Alexander Henry, 2022-10-13 How To Satisfy A Woman In Bed I hope that from reading this article you realize that there is so much more to sex. You need to nourish her mind, body and her soul. Sex is the most powerful force on the planet. Sexual energy can be used for so many things and women in particular are very sensitive to it. If you can take away just one thing, let it be this: learn how to tune into and read a woman's energy and pleasing her will become intuitive to you. Women are communicating through their bodies and giving out so many subtle and unsubtle signals all of the time. Once you can pick up on and interpret these signals, you will barely even need to think about it. If you are intrigued by the ideas raised in this article and want to learn more about how to use sex, sexual energy and intimacy to take your sexual performance and your relationship to the next level.

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy and sickness. The middle of the 20th century saw these medical and religious

teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Volume I of this two-part publication traces the history of sex from the Stone Age to the Enlightenment. Interspersed with personal hauntings from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-turner in simple and plain language about how sex got screwed up for millennia. For Knowles, if we know the history of sex, we can get over it.
