All About wikiHow. A Complete Guide to Pleasuring Your Partner Pamela Hepburn Fisk, 2022-03-21 Written as an enjoyable entertaining and informative book A Complete Guide to Pleasuring Your Partner The Sex Education You Never Got succeeds in providing the kinds of tools that any relationship needs to maximize the enjoyment and satisfaction that a couple can have during a thoughtful and deliberate sexual encounter Focusing on the areas that are so often missing in a sexual relationship this book promotes three specifics that when employed will result in both partners deriving more pleasure than they ever thought possible When employed they will enhance and revive virtually any sexual relationship from strictly ho hum to mind blowing va va voom When it s time for a relationship to be absolutely stellar or bust this guide has just the ingredients necessary to develop into an entirely new level of sexual enjoyment Beyond these specific ingredients information is also featured to prepare oneself to be ready to adopt a completely new sexual lifestyle that embraces all aspects of good healthy living After all it's our sexuality So let it be natural and exciting Rage Becomes Her Sorava Chemaly, 2018-09-11 A BEST BOOK OF 2018 SELECTION NPR The Washington Post Book Riot Autostraddle Psychology Today A BEST FEMINIST BOOK SELECTION Refinery 29 Book Riot Autostraddle BITCH Rage Becomes Her is an utterly eye opening Bustle book that gives voice to the causes expressions and possibilities of female rage As women we ve been urged for so long to bottle up our anger letting it corrode our bodies and minds in ways we don't even realize Yet there are so so many legitimate reasons for us to feel angry ranging from blatant horrifying acts of misogyny to the subtle drip drip of daily sexism that reinforces the absurdly damaging gender norms of our society In Rage Becomes Her Soraya Chemaly argues that our anger is not only justified it is also an active part of the solution We are so often encouraged to resist our rage or punished for justifiably expressing it yet how many remarkable achievements would never have gotten off the ground without the kernel of anger that fueled them Approached with conscious intention anger is a vital instrument a radar for injustice and a catalyst for change On the flip side the societal and cultural belittlement of our anger is a cunning way of limiting and controlling our power one we can no longer abide A work of great spirit and verve Time Rage Becomes Her is a validating energizing read that will change the way you interact with the world around you Consensual Violence Jill D. Weinberg, 2016-05-31 In this novel approach to understanding consent Jill D Weinberg features two case studies where groups engage in seemingly violent acts competitive mixed martial arts and sexual sadomasochism These activities are similar in that consenting to injury is central to the activity and participants of both activities have to engage in a form of social decriminalization leveraging the legal authority imbued in the language of consent as a way to render their activities legally and socially tolerable Yet these activities are treated differently under criminal battery law Using interviews with participants and ethnographic observation Weinberg argues that where law authorizes a person s consent to an activity consent is not meaningfully regulated or constructed by the participants themselves In contrast where law prohibits a person s consent to an activity participants

actively construct and regulate consent This difference demonstrates that law can make consent less consensual Synthesizing criminal law and ethnography Consensual Violence is a fascinating account of how consent gets created and carried out among participants and lays the groundwork for a sociology of consent and a more sociological understanding of processes of decriminalization Provided by publisher Religion, Transformation and Gender Kurt Appel, Isabella Guanzini, 2017-10-02 The fifth issue of the Interdisciplinary Journal for Religion and Transformation in Contemporary Society J RaT centers on the topic of religion transformation and sex gender The focal point will be on religious and cultural transformation processes and their repercussions on gender roles constructs and representations on the one hand and on sex and or gender transformations which are embedded in the context of specific religious traditions on the other Transformation is understood here as change alteration and reformatting The multifaceted connections between religion transformation and sex gender are concretized in an abundance of material and symbolic phenomena and are examined starting from different subject specific and methodical approaches Enjoy!
