How To Satisfy A Woman Longer:

Crafting the Woman Professional in the Long Nineteenth Century Kyriaki Hadjiafxendi, Patricia Zakreski, 2016-05-13 Over the course of the nineteenth century women in Britain participated in diverse and prolific forms of artistic labour As they created objects and commodities that blurred the boundaries between domestic and fine art production they crafted subjectivities for themselves as creative workers By bringing together work by scholars of literature painting music craft and the plastic arts this collection argues that the constructed and contested nature of the female artistic professional was a notable aspect of debates about aesthetic value and the impact of industrial technologies All the essays in this volume set up a productive inter art dialogue that complicates conventional binary divisions such as amateur and professional public and private artistry and industry in order to provide a more nuanced understanding of the relationship between gender artistic labour and creativity in the period Ultimately how women faced the pragmatics of their own creative labour as they pursued vocations trades and professions in the literary marketplace and related art industries reveals the different ideological positions surrounding the transition of women from industrious amateurism to professional artistry

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex

play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

Psychopathia sexualis: With especial reference to contrary sexual instinct R. von Krafft-Ebing, 2021-11-05 In Psychopathia sexualis With especial reference to contrary sexual instinct by R von Krafft Ebing the author delves into the exploration of sexual deviancy and abnormal sexual behaviors with a particular focus on contrary sexual instincts Written in a clinical and objective style the book provides a detailed analysis of various psychological and physiological manifestations of sexual disorders Krafft Ebing s work reflects the emerging field of sexology in the late 19th century and remains a significant contribution to the understanding of human sexuality in a medical context The book contains case studies medical terminology and historical references making it a valuable resource for scholars and researchers interested in the study of sexual psychology and behavior R von Krafft Ebing a pioneering psychiatrist and sexologist drew inspiration from his clinical experience and research to write Psychopathia sexualis His background in medicine and psychology enabled him to approach the topic with both scientific rigor and empathy shaping the narrative of the book Krafft Ebing s expertise in the field of sexual pathology and his commitment to destigmatizing sexual disorders are evident in the text establishing him as a notable figure in the history of sexology For readers interested in the history of psychology human sexuality and the medicalization of sexual behaviors Psychopathia sexualis by R von Krafft Ebing is a must read This seminal work offers a profound insight into the complexities of sexual deviations and provides a foundation for further studies in the field of sexology **Tantric Quest** Daniel Odier, 1997-04-01 The author reveals his passionate experiences with a female Tantric master who taught him the suppressed practices of her ancient order In 1968 Daniel Odier left Europe for the Himalayas searching for a master who could help him go where texts and intellectual searching could no longer take him He wanted everything the wisdom and spirituality gained from the life of an ascetic and the beauty love and sensuality of a life of passion He found both in Shivaic Tantrism the secret spiritual path that seeks to transcend ego and rediscover the divine by embracing the passions In an

isolated Himalayan forest Odier met Devi a great yogini who would take him on a mystical journey like none he had ever imagined At times taking him beyond the limits of sexual experience at times threatening him with destruction she taught him what it is to truly be alive and to know the divine nature of absolute love This is the personal memoir of one of France's most honored writers Tantrism is the only ancient philosophy to survive all historical upheavals invasions and influences to reach us intact by uninterrupted transmission from master to disciple and the only one to retain the image of the Great Goddess as the ultimate source of power

Women in Medicine in the Long Nineteenth Century Claire Brock,2024-07-31 As an exciting challenging and for some repulsive novelty and phenomenon the medical woman was fictionalised swiftly in the second half of the nineteenth century This volume reproduces literary examples which explore the many facets of women's entry into the medical profession and their experiences once qualified This volume broadens literary and cultural understanding of female doctors through the selection of sources which are less well known or more difficult to find as well as considering global examples or contexts By including sources which reveal both supportive and derogatory assessments and by male and female authors a wide range of opinions regarding women's efficacy as medical practitioners are considered Accompanied by extensive editorial commentary this title will be of great interest to students of Women's History and the History of Medicine

How to Make Love All Night (And Drive a Woman Wild) Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on. It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes. Daniel knows that Allison needs at least another five minutes of intercourse before she can climax. Here's the problem: Daniel doesn't think he has five minutes left in him. If Daniel continues having intercourse the way he has for the past ten minutes, it may be only a matter of seconds before he has an orgasm. He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax. He knows that Allison is at that stage where any kind of change in his movement would only frustrate her. Besides, if he tried to stop or to change the rhythm, Daniel could lose strength in his erection, which would complicate matters even further. This dilemma is making the whole experience a lot less pleasurable for Daniel. The first few minutes of sex were pure excitement, but now he is worried and conflicted. It is hard to enjoy sex when you're fighting your own body. Truth is, you really can't enjoy sex when you're fighting your own body. And neither can your partner. What Daniel does not yet know is that he has another option: male multiple orgasm. The multi-orgasmic man has staying power. He doesn't have to hold back. He doesn't have to fight his own body and deny himself his own pleasure. He can enjoy all of the erotic sensations of intercourse, have a full orgasm, and keep going. If he wishes, he can have a second orgasm and keep going. He can last as long as his partner wishes, experience all of the excitement and release, and keep going. For the multi-orgasmic man, the sky is truly the limit. Daniel is not the only man who has this exciting option. Today's techniques have been perfected to make male multiple orgasm an option for almost every man. Age doesn't matter. Previous experience doesn't matter. Young or old, virgin or veteran, all you need is the desire, your penis, and a few minutes a day. So don't stop now. Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner. Enjoy your ebook. Sex: how to make love all night.

Married But Available Francis B. Nyamnjoh, 2009 Overnight Delia Keller went from penniless preacher's granddaughter to rich young heiress. She's determined to use her money to find the security she's always lacked. And building herself a new house by Christmas is her first priority. But handsome Jude Tucker is challenging her plans and her heart. The former Civil War chaplain hasn't felt peace in a very long time, and he has a hard time letting go of his past. But as Jude gets to know the spirited Delia, he longs to show her what true Christmas joy means. In the rugged Texas Hill Country, he'll reach for a miracle to restore his faith and give Delia his love for all seasons.

Long-Term Imprisonment Timothy J. Flanagan, 1995-04-06 With recent sentencing law changes at the state and national level, the United States will continue to use long-term confinement more than any other nation in the world. In this authoritative yet accessible volume, scholars, correctional authorities, researchers, and prisoners examine the use of long-term incarceration as a response to crime, the effects of long-term incarceration, and the strategies used by long-term inmates to adjust to confinement. *Long-Term Imprisonment* explores the prison experience of both male and female inmates and discusses the correctional management

challenges posed by long term incarceration The core of this collection edited by Timothy Flanagan is a set of articles first published in The Prison Journal the official journal of the Pennsylvania Prison Society and the oldest journal in the field of corrections These articles are complemented with research reports on the effects of long term confinement a comprehensive analysis of long term inmates currently confined in American and Canadian prisons and essays written by long term prisoners If you are interested in the use and operation of prisons and in the impact of these institutions on the people confined within them this book is for you In addition to students studying imprisonment the book informs correctional administrators and policymakers about the nature of long term inmate population and the impact of long term imprisonment Timothy Flanagan began studying the effects of long term incarceration over two decades ago when he conducted one of the first major studies of prisoners serving long sentences Since then many changes have occurred in corrections and sentences practices that have greatly increased sentence lengths and the number of prisoners serving long sentences The collection of the essays contained in Long Term Imprisonment represents the most comprehensive up to date and definitive review of literature regarding the effects of long term incarceration on prisoners Flanagan provides readers with a variety of perspectives of long term imprisonment by including articles written by prison researchers corrections officials and long term prisoners This book is must reading for anyone interested in life in prisons and the unique world of the long term prisoner Kevin N Wright Binghamton University

[Fictions of Pleasure](#) Alistaire Tallent,2023-12-15 This book identifies the prostitute memoir as a subgenre of the eighteenth century French libertine novel and explores how the fictional utopia the narrators of these salacious pseudo memoirs undermine the patriarchal hierarchies of the Ancien R gime and propose a social model in which women form networks of mutual support to achieve wealth and personal satisfaction

How Long Is Exile? Astrida Barbins-Stahnke,2016-07-22 At the end of Book I How Long is Exile The Song and Dance Festival of Free Latvians widowed Milda Araj's had taken a new direction in her life She had decided to break solidarity with her mainstream ethnic community and make good her promise to her daughter Ilga that they would make a pilgrimage to Soviet Latvia at Christmas time 1983 and welcome the baby Krijanis born to American Mara and Latvian Igors as the symbol of a new era Also Milda had chosen to give herself to Peteris Vanags the one armed veteran she encountered in the Esslingen DP camp after the war Story in Book II Out of the Ruins of Germany They married shortly before the momentous trip and soon thereafter Milda joined him in Washington D C For a decade they lived happily making up for lost years of forbidden longing and desire until the Soviet Union fell and the Kingdom of Exile felt the shocks and aftershocks Unbeknown to herself Milda's Christmas trip behind the Iron Curtain with all its revelations was her first step on her Long Road Home Also that trip at the height of American women's liberation movement marked her adult coming of age and becoming the ruler of her life Released from domestic bonds she struck out on her own and challenged her mind to higher things When Peter in the late 1980s was asked to join Radio Free Europe in Munich Milda saw her Road clearly winding its way back to Latvia This naturally threatened the marriage Slowly

almost imperceptibly the Road become bumpy even treacherous Afraid and out of step Peter seemed to lag behind while Milda hurried forward now that the iron curtain was swept away With firm steps she returned to her homeland she reunited with her sister Zelda and reclaimed their parents apartment Peter complied and came up with the money but as if lost he often went off by himself afraid of being watched and pursued until he could not walk anymore After his death and after the guarded secrets were revealed Milda took her last steps on The Long Road Home alone Exile was over but the sense of exile was imbedded in Milda s mind forever and it was heavy She felt the weight most poignantly as she watched fireworks grace the skies at elaborate festivals where strangers celebrated frolicking and singing to her unknown songs and young people rush about in search for passages to new lands where the grass seemed greener and fame and fortune beckoned from clouds with silver linings As a participant in that so called exile state I began writing my version of the experience after the Milwaukee festival filtering it through the consciousness of my main character Milda Berzi a Arais who coming out of mourning for her husband Karlis Arais arrives at the festival ready to turn a new leaf in her life During the four days with like minded people interesting events and common recollections of her childhood the war and post war experiences in a displaced persons camp flash before her in a swirling kaleidoscope and at the end throws her in the direction she did not plan to go Book II captures the mood after the fall of the USSR The ethnic communitiesthe Kingdom of Exileis shaken and the people awake as if from a deep sleep Milda suddenly becomes active she makes crucial decisions and switches from an outdated romantic into a realist as she returns home meets her estranged sister and the country she had left behind As she tries to find her place in it she understands that exile is a state of mind it is a state where half the world s population liveslike sheuprooted by tyranny and wars Yet she and other displaced persons go on living and finding pleasure in art poetry song and in each otherthough with a sad melancholy smile
