Pornography Fitzhugh G. Houston, 2004 Available as a book or ebook An inspirational testimony about the 30 year struggle with addiction to pornography and how being born again led to eventual deliverance through his relationship with Jesus Christ and the power of the Word of God For ministry support see [www.anewdirection.org](http://www.anewdirection.org) For a preview of the book see [www.menletstalk.org](http://www.menletstalk.org)      *Sex! What's the Point?* Amy G. Adams, 2009-12-28 The idea for this book started when I was talking to a friend of mine She was an attractive sweet funny nurse who always seemed to have guys flirting with her anytime she went out It was my impression that she could have any guy she wanted And I really do think I was right However she is one of those girls that constantly has to have a man in her life doesn't matter what kind of man cute or ugly good or bad just as long as there's a man around She would go on a date with anyone who asked her out and I mean anyone After the date she would bring him home with her have sex with him then the guy would basically move in that night Oh sure they'd live in bliss for a few weeks during their honeymoon phase then she'd spend the next few months of her life miserable supporting some bum who didn't work cheated on her and and times was abusive She would finally break it off with that guy and then the next man that asked her out the whole cycle would start again I asked her why she continued to do this and she replied by saying that she just gets lonely When I asked about joining a group or getting together with friends then her story changed to I miss the kissing and cuddling and just laying next to someone I then asked why she doesn't just cuddle with them why go all the way to having sex Then the truth came out Because I like sex It feels good It's hard to stop once you get going Ah now we are getting somewhere So this got me thinking what is the point of sex Is it only to achieve that brief moment of utter bliss Or are we trying to feel emotionally close to someone Are we trying to fill some other void in our life Is it strictly to pro create      *Emotional Persecution* Vikrant Dwivedi, Ashu is a young charming boy from Punjab Anshu is a sweet beautiful girl from Delhi It's love at first sight He proposes to her at their very first meeting She thinks he's joking at first Before long he's the center of her universe They spend a few magical months together discovering what is truly love

and trust someone And then there little paradise on earth is shattered She discovers that he is not who she believes him to be He realizes she s not the kind of person he wants to spend his life with And neither of them is willing to change This is the story of what happens to both of them after their paths tragically diverge and they learn the true meaning of betrayal heartache retribution and love But sometimes we learn our lessons far too late      **Writing with Pleasure** Helen

**The Making of a Scientist** Jacob Mbua Ngeve PhD FCAS, 2022-04-12 The author recounts his educational career and his professional career. He documents his various achievements which brought him to the limelight to be named Director General, a Presidential appointee. He feels that if he was able to go that far, any person who is determined enough and has the ambition to do so can do it also. He recounts the temptation he had with his boss which eventually led to his being fired from his post. He concludes by saying that it was better to resist temptation than do something that could jeopardize his reputation and get him into trouble.

**Motherhood Reimagined** Sarah Kowalski, 2025-07-30 At the age of thirty-nine, Sarah Kowalski heard her biological clock ticking loudly. A single woman harboring a deep ambivalence about motherhood, Kowalski needed to decide once and for all: Did she want a baby or not? More importantly, with no partner on the horizon, did she want to have a baby alone? Once she revised her idea of motherhood from an experience she would share with a partner to a journey she would embark upon alone, the answer came up: a resounding Yes. After exploring her options, Kowalski chose to conceive using a sperm donor, but her plan stopped short when a doctor declared her infertile. How far would she go to make motherhood a reality? Kowalski catapulted herself into a diligent regimen of herbs, Qigong, meditation, acupuncture, and more, in a quest to improve her chances of conception. Along the way, she delved deep into spiritual healing practices, facing down demons of self-doubt and self-hatred, ultimately discovering an unconventional path to parenthood. In the end, to become a mother, Kowalski did everything she said she would never do. And she wouldn't change a thing. A story of personal triumph and unconditional love, *Motherhood Reimagined* reveals what happens when we release what's expected and embrace what's possible.
