**Cancer, Intimacy and Sexuality** Yacov Reisman,Woet L. Gianotten,2017-02-16 This book provides a wide ranging overview of the sexual consequences of cancer and its treatment with the aim of equipping physicians and other health care providers with the awareness and knowledge required in order to offer patients effective treatment While sexuality may not be the primary focus for cancer patients at some point whether because of sexual changes or relationship issues many patients come to acknowledge the effects that cancer and its treatment have had on their sexuality Although the impacts are frequently similar significant variation is observed Some patients experience changes in all phases of sexual response while others experience none moreover the consequences of the effects may be felt differently by patients and partners Unfortunately many physicians and health care providers remain insufficiently aware of the impact of cancer on sexuality and or lack knowledge about the concerns of patients and the available treatments and coping strategies A further issue is the reticence of physicians to discuss sexuality and the fear of sexologists to talk to patients about cancer Readers will find this book to be a rich source of help in overcoming these constraints and delivering suitable care to patients

**The Secret Pleasure - Anal Sex** Celso Marzano,2016-03-14 Not long ago

doctors started a fieldwork in the area of sexology and there are very few of them who adventure themselves in this field and write about what they know Among them only a smaller number choose the delicate subject that Doctor Celso Marzano has chosen Only after years of clinical work and with confidence on his work and on himself is that he chose to write about this human behavior matter It s already been written that we Brazilians because of the importance that we give to this subject are sodomites If we are or not there is no doubt we are The question isn t even if we are more or less than other people The question is that in order to be a sodomite we need to act wisely And in this book we have an analysis a guide not with recipes and hygiene advices but with a new light upon the secrets of the myth that surrounds anal sex Being impartial when it comes to delicate issues can challenge creativity and maturity And reading this book the reader will observe that the author owns both characteristics And that s rare among the elite that we have described at the beginning of this preface Taking responsible information free of prejudice to those who are interested in the subject is not an easy task People who are dedicated to sexology know how intensely this matter moves in society Some religions used anal sex practice as an example of typical sinful human behavior Feminists dressed it as the ultimate proof of the desire that sexists have for humiliating women This book studies the subject through the eyes of a constructive and guided sexology not losing sight that the future will give this practice the destiny that the past wasn t bold enough to foresee In spite of this future we have here a study that deserves to be read and analyzed as a new challenge to conquer over prejudices and make people aware of the motivations and consequences of sodomy Md Eliezer Berenst

**The Secret Female Hormone** Kathy C. Maupin, M.D.,2014-03-03 The Secret Female Hormone is a must read for women today Hormones should always be evaluated in unity and testosterone is almost always overlooked The authors tell the truth about how hormone imbalances truly affect women not only their energy their vitality and their libido but also their family relationships and self esteem This book will be a resource for women for years to come Marcelle Pick author of Is It Me or My Hormones and The Core Balance Diet Leading experts show why testosterone hormone imbalance could be the vital connecting factor in a wide variety of health issues for women in midlife You know the experiences all too well You can t sleep so you start your day feeling exhausted Seemingly overnight you can t remember names places appointments things you could previously recite at the drop of a hat You want to be more active but you have zero energy for that And sex Forget it By now you ve probably been told this is normal or that it s the natural course of aging And you might even believe it because so many women approaching midlife have the exact same symptoms In fact millions of women worldwide are undiagnosed and untreated for hormone imbalance deficiency As one of the country s leading experts on hormonal balance and as a woman who experienced these symptoms herself Dr Kathy Maupin has identified a debilitating and overlooked health condition testosterone deficiency syndrome or TDS Most people associate testosterone with men but it s one of the most vital hormones in women and one of the first hormones that women begin to lose as they enter their 40s And Dr Maupin s own research has shown that the symptoms of aging fatigue memory loss

moodiness low libido and so much more are initiated and accelerated by testosterone loss In this book Dr Maupin and therapist Brett Newcomb show how testosterone replacement can radically improve your life They share the history and background of hormone replacement therapy the latest research on treatment options as well as Tips for dealing with mood swings changes in sex drive and maintaining healthy relationships Surprising information on the long term effects and health risks of testosterone loss Common myths and misconceptions regarding estrogen and testosterone replacement therapy Questionnaires to help you determine your individual hormone deficiencies Real stories and personal experiences Dr Maupin's patients share clear practical and easy to use this authoritative guide sheds light on the importance of testosterone and will help you reclaim your physical mental emotional and spiritual health [How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two](#) Jon Knowles,2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

*Women, Sexuality and the Political Power of Pleasure* Susie Jolly,Andrea Cornwall,Kate Hawkins,2013-06-13 This pioneering collection explores the ways in which positive pleasure focused approaches to sexuality can empower women Gender and development has tended to engage with sexuality only in relation to violence and ill health Although this has been hugely important in challenging violence against women over emphasizing these negative aspects has dovetailed with conservative ideologies that associate women's sexualities with danger and fear On the other hand the media the pharmaceutical industry and pornography more broadly celebrate the pleasures of sex in ways that can be just as oppressive often implying that only certain types of people young heterosexual able bodied HIV negative are eligible for sexual pleasure *Women Sexuality and the Political Power of Pleasure* brings together challenges to these strictures and exclusions from both

the South and North of the globe with examples of activism advocacy and programming which use pleasure as an entry point It shows how positive approaches to pleasure and sexuality can enhance equality and empowerment for all
