How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles, 2019-06-28 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

Reframing Sex Stevie N. Berberick, 2020-11-02 This book is an exploration of both mainstream and independent media Grounded in qualitative methods this book explores three trans masculine run YouTube channels alongside the streaming productions The Chilling Adventures of Sabrina Orange is the New Black and Transparent Analyzing and contrasting these narratives illuminates how even the most progressive of pop culture productions fail to present multi dimensional transgender narratives thereby intensifying stigma and shame for those outside of the binary male or female man or woman gay or straight In contrast trans masculine produced YouTube vlogs such as those discussed in this book can help audience members unlearn the ways in which the continuum of sex gender and sexual orientation has been simplified and obscured

through corporate media These vlogs thus exemplify the various ways in which independent media acts as an educational tool toward greater awareness and perhaps empathy of for the self and others in regards to sexual identity **Out Online: Trans Self-Representation and Community Building on YouTube** Tobias Raun,2016-05-05 Trans people are increasingly stepping out of the shadow of pathologization and secretiveness to tell their life stories share information and to connect with like minded others using YouTube as a platform Out Online Trans Self Representation and Community Building on YouTube explores the digital revolution of trans video blogging addressing trans in its many meanings and configurations to examine the different ways in which the body in transformation and the vlog as a medium intersect Drawing on rich virtual ethnographic studies of trans video blogging the author sheds light on the ways in which the video blog or vlog as a multimodal medium enables trans people to tell their stories with the use of sound text music and pictures thus offering new ways to construct and archive bodily changes and to revise the story endlessly A groundbreaking study of the intersection between trans identity and technology Out Online explores the transformative and therapeutic potential of the video blog as a means by which trans vloggers can emerge and develop online using the vlog as a site for creation intervention community building and resistance As such it will appeal to social scientists and scholars of cultural and media studies with interests in gender sexuality and embodiment **How to Make the Body** Jennifer Creech,Thomas O. Haakenson,2022-05-05 How to Make the Body Difference Identity and Embodiment brings together contemporary and historical readings of the body exploring the insights and limits of established and emerging theories of difference identity and embodiment in a variety of German contexts The engaging contributions to this volume utilize and challenge cutting edge approaches to scholarship on the body by putting these approaches in direct conversation with canonical texts and objects as well as with lesser known yet provocative emerging forms To these ends the chapter authors investigate the body through detailed studies across a wide variety of disciplines and modes of expression from advertising aesthetics and pornography to social media scientific experimentation and transnational cultural forms Thus this volume showcases the ways in which the body as such cannot be taken for granted and surmises that the body continues to undergo constant and potentially disruptive diversification and transformation **Sexscapes of Pleasure** Elena Zambelli,2022-11-11 Focusing on Italy this book discusses how women negotiate sexuality and social status in a Western sexscape constituted by multifaceted articulations of women s sexuality commodities and modernity Drawing from ethnographic research this book brings together the narratives of Italian and migrant women pole dancing for leisure women pole and lap dancing for work as well as women selling sex By tracing commonalities in women s processes of subjectivation and othering across the non sex working women divide the book foregrounds the intersecting structures of oppression under which women negotiate selfhood **Clean Romance for YouTube** Christine G.,Michelle Love, Clean Romance Novel A romantic story about an alpha billionaire **Handbook on Gender and Digital Media** Dustin Harp,Ingrid Bachmann,Jaime Loke,2025-09-10 This timely Handbook explores the

intersection between gender and digital media examining how virtual platforms both challenge and reinforce traditional gender norms and inequalities Taking an interdisciplinary approach it reflects on key issues such as gendered digital labor self expression and intersectionality in cyberspaces *Sex Sounds* Danielle Shlomit Sofer,2022-07-05 An investigation of sexual themes in electronic music since the 1950s with detailed case studies of electrosexual music by a wide range of creators In *Sex Sounds* Danielle Shlomit Sofer investigates the repeated focus on sexual themes in electronic music since the 1950s Debunking electronic music s origin myth that it emerged in France and Germany invented by Pierre Schaeffer and Karlheinz Stockhausen respectively Sofer defines electronic music more inclusively to mean any music with an electronic component drawing connections between academic institutions radio studios experimental music practice hip hop production and histories of independent and commercial popular music Through a broad array of detailed case studies examining music that ranges from Schaeffer s musique concr te to a video workshop by Annie Sprinkle Sofer offers a groundbreaking look at the social and cultural impact sex has had on audible creative practices Sofer argues that electrosexual music has two central characteristics the feminized voice and the climax mechanism Sofer traces the historical fascination with electrified sex sounds showing that works representing women s presumed sexual experience operate according to masculinist heterosexual tropes and presenting examples that typify the electroacoustic sexual canon Noting electronic music history s exclusion of works created by women people of color women of color and in particular Black artists Sofer then analyzes musical examples that depart from and disrupt the electroacoustic norms showing how even those that resist the norms sometimes reinforce them These examples are drawn from categories of music that developed in parallel with conventional electroacoustic music separated segregated from it Sofer demonstrates that electrosexual music is far more representative than the typically presented electroacoustic canon *Watching YouTube* Michael Strangelove,2010-01-01 Michael Strangelove provides a broad overview of the world of amateur online videos and the people who make them He describes how online digital video is both similar to and different from traditional home movie making and argues that we are moving into a post television era characterized by mass participation from publisher description **Contesting Islam, Constructing Race and Sexuality** Sunera Thobani,2020-12-10 The current political standoffs of the War on Terror illustrate that the interaction within and between the so called Western and Middle Eastern civilizations is constantly in flux A recurring theme however is how Islam and Muslims signify the Enemy in the Western socio cultural imagination and have become the Other against which the West identifies itself In a unique and insightful blend of critical race feminist and post colonial theory Sunera Thobani examines how Islam is foundational to the formation of Western identity at critical points in its history including the Crusades the Reconquista and the colonial period More specifically she explores how masculinity and femininity are formed at such pivotal junctures and what role feminism has played in the wars against radical Islam Exposing these symbiotic relationships Thobani explores how the return of religion is reworking the racial gender and sexual politics by which Western society

defines itself and more specifically defines itself against Islam Contesting Islam Constructing Race and Sexuality unpacks conventional as well as unconventional orthodoxies to open up new spaces in how we think about sexual and racial identity in the West and the crucial role that Islam has had and continues to have in its development **Porn Chic** Annette

Lynch, 2013-08-15 The mainstreaming of pornographic imagery into fashion and popular culture at the turn of the millennium in Britain and the US signalled a dramatic cultural shift in construction of both femininity and masculinity For men and women raunch became the new cool This engaging book draws from a diverse range of examples including film popular tabloids campus culture mass media marketing campaigns facebook profiles and art exhibits to explore expressions and meanings of porn chic Bringing a cultural and feminist lens to the material this book challenges the reader to question the sexual agency of the 12 year old girl dressed to seduce in fashions inspired by Katie Price the college co ed flashing her breasts for a film maker during Spring break and the waitress making her customer happy with chicken wings and a nice set of Hooters Further it explores the raunchy bad boys being paid handsomely to tell the world about their sexual exploits online on film and in popular press bestsellers The book also contains thought provoking artwork by Nicola Bockelmann which focuses on the permeable border between pornography and mainstream culture and urges viewers to question everyday explicitness Balancing a popular culture approach and a strong analytic lens Porn Chic will engage a wide audience of readers interested in popular culture fashion and gender studies *Am I Cactus?* Peter Vale, Six year old Erica is found

unconscious under the road bridge at Rocky Crossing Victim of a brutal perverted assault she is rushed to hospital by helicopter and placed on life support With terrible injuries she is not expected to survive The little girl's father has been arrested The surrounding rural community is devastated and very angry However there is an unforeseen outcome to what really happened This story is about Erica's five year recovery **Television Studies in Queer Times** F. Hollis

Griffin, 2023-05-09 This timely collection of accessible essays interrogate queer television at the start of the twenty first century The complex political cultural and economic milieu requires new terms and conceptual frameworks to study television and media through a queer lens Gathering a range of well known scholars the book takes on the relationship between sexual identity desire and television breaking new ground in a context where existing critical vocabularies and research paradigms used to study television no longer hold sway in the ways they used to The anthology sets out to confound conventional categories used to organize queer television scholarship like programming industry audience genre and activism Instead the anthology offers four interpretive frames historicity temporal play ideological limitation and industrial contextualization in the interest of creating new queer tools for studying digital television in the contemporary age This collection is suitable for scholars and students studying queer media studies television studies gender studies and sexuality studies Wandering Women Laura Di Bianco, 2022-12-06 Wandering Women Urban Ecologies of Italian Feminist

Filmmaking explores the work of contemporary Italian women directors from feminist and ecological perspectives Mostly

relegated to the margins of the cultural scene and concerned with women's marginality the compelling films *Wandering Women* sheds light on tell stories of displacement and liminality that unfold through the act of walking in the city The unusual emptiness of the cities that the nomadic female protagonists traverse highlights the absence of and their wish for life sustaining communities Laura Di Bianco contends that women's urban filmmaking while articulating a claim for belonging and asserting cinematic and social agency brings into view landscapes of the Anthropocene where urban decay and the erasure of nature intersect with human alienation Though a minor cinema it is also a powerful movement of resistance against the dominant male narratives about the world we inhabit Based on interviews with directors *Wandering Women* deepens the understanding of contemporary Italian cinema while enriching the field of feminist ecocritical literature

Erotic Revolutionaries Shayne Lee, 2010-08-04 Why is there no pro sex contingency in black feminist scholarship Why do so few African American scholars expound on issues celebrating female sexual pleasure Perhaps the answers to these questions reside within a discursive matrix of sexual repression commonly referred to as the politics of respectability and its rein on black sexual politics In *Erotic Revolutionaries Black Women Sexuality and Popular Culture* sociologist Shayne Lee steers black sexual politics toward a more sex positive trajectory Introducing feminist analysis to a conceptual ménage trois of scripting theory media representation and black sexual politics Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic agency Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative and problematic Lee portrays black female celebrities like Janet Jackson Beyoncé Karrine Steffans Zane Tyra Banks Juanita Bynum Sheryl Underwood and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment *Erotic Revolutionaries* navigates the uncharted spaces where social constructionism third wave feminism and black popular culture collide to locate a new site for sexuality studies that is theoretically innovative politically subversive and stylistically chic

Tits Up Sarah Thornton, 2024-05-07 An excellent new book You will not look at breasts in the same way again Economist An innovative investigation of the five strange worlds that worship women's chests After years of biopsies best selling author Sarah Thornton made the difficult decision to have a double mastectomy But after her reconstructive surgery she was perplexed What had she lost And gained An experienced sleuth she resolved to venture behind the scenes to uncover the social and cultural significance of breasts Riotous and galvanizing *Tits Up* excavates the diverse truths of mammary glands from the strip club to the operating room from the nation's oldest human milk bank to the fit rooms of bra designers Thornton draws insights from plastic surgeons lactation consultants body positive witches lingerie models and free the nipple activists to explore the status of breasts as emblems of femininity She examines how women's chests have become a billion dollar business as well as a stage for debates about race class gender and desire Everywhere she turns Thornton encounters chauvinist myths about this elemental body part that

quietly justify deficits in women's bodily autonomy and endorse shortfalls in their political status Blending sociology reportage and personal narrative with refreshing optimism and wit Thornton has one overriding ambition to liberate breasts from centuries of patriarchal prejudice

How Pop Culture Shapes the Stages of a Woman's Life Melissa Ames, Sarah Burcon, 2016-03-15 Contemporary popular culture has created a slew of stereotypical roles for girls and women to willingly or not play throughout their lives The Princess the Nymphette the Diva the Single Girl the Bridezilla the Tiger Mother the MILF the Cougar and more In this book Ames and Burcon investigate the role of cultural texts in gender socialization at specific pre-scripted stages of a woman's life from girls to the golden girls and how that instruction compounds over time By studying various texts toys magazines blogs tweets television shows Hollywood films novels and self-help books they argue that popular culture exists as a type of funhouse mirror constantly distorting the real world conditions that exist for women magnifying the gendered expectations they face Despite the many problematic conflicting messages women receive throughout their lives this book also showcases the ways such messages are resisted allowing women to move past the blurry reality they broadcast and toward hopefully gender equality

Sexual Perversions and Paraphilias: An A to Z Mark Griffiths, 2024-12-01 Paraphilias from the Greek beyond usual or typical love are uncommon types of sexual expression often more commonly described as sexual deviations sexual perversions or disorders of sexual preference They are accompanied by intense sexual arousal and may appear bizarre or at the extreme end of the sexual continuum socially unacceptable For some paraphilic behaviour may be sporadic for others it may be compulsive or addictive This is both an important and timely book Some content is likely to be considered by many as truly shocking and horrendous while other material and case studies simply interesting baffling or perhaps even amusing To learn more you simply must open the book and read and because it's an A to Z you don't have to start at the beginning
