*The Rhetoric of Emperor Hirohito* Takeshi Suzuki,2017-06-23 This book investigates the wartime role of Emperor Hirohito and the transition of the Emperor System a structure which had been in place for a large period of Japanese history and one undergoing significant change due to a series of intense encounters with Western style modernity since the Meiji period of the late nineteenth century Specifically it explores moments in three episodes of social reality that were part of the wartime experience of the Japanese people namely the initiation of the conflict accomplishing an end to the war and the transition to post war society

Extraterrestrial Intelligence and Human Imagination John Traphagan,2014-11-07 The search for extraterrestrial intelligence SETI represents one of the most significant crossroads at which the assumptions and methods of scientific inquiry come into direct contact with and in many cases conflict with those of religion Indeed at the core of SETI is the same question that motivates many interested in religion What is the place of humanity in the universe Both scientists involved with SETI and in other areas and those interested in and dedicated to some religious traditions are engaged in contemplating these types of questions even if their respective approaches and answers differ significantly This book explores this intersection with a focus on three core points 1 the relationship between science and religion as it is expressed within the framework of SETI research 2 the underlying assumptions many of which are tacitly based upon cultural values common in American society that have shaped the ways in which SETI researchers have conceptualized the nature of their endeavor and represented ideas about the

potential influence contact might have on human civilization and 3 what sort of empirical evidence we might be able to access as a way of thinking about the social impact that contact with alien intelligence might have for humanity from both religious and cultural perspectives The book developed as a result of a course the author teaches at the University of Texas at Austin Religion Science and the Search for Extraterrestrial Intelligence

**A Journal from Japan: A Daily Record of Life as Seen by a Scientist** Marie Carmichael Stopes,2019-12-03 In A Journal from Japan A Daily Record of Life as Seen by a Scientist Marie Carmichael Stopes presents a vibrant and insightful account of her experiences in early 20th century Japan This meticulously crafted narrative blends personal observation with scientific inquiry reflecting a literary style that is both engaging and informative Stopes s keen eye for detail captures the essence of Japanese culture society and the burgeoning modernization of the Meiji period making it a significant contribution to the travelogue genre and ethnographic literature of its time Marie Carmichael Stopes was an accomplished paleobotanist and an early advocate for women s rights whose scientific background informed her perceptive observations and analyses Her journey to Japan not only expanded her horizons as a scientist but also as a cultural commentator highlighting her desire to bridge the gap between Eastern and Western perspectives Stopes s commitment to understanding and sharing the truths of different cultures enriches her narrative offering readers a unique lens through which to view Japan during a transformative era Readers seeking to deepen their understanding of Japan s historical context or those interested in the intersection of science and travel literature will find this work indispensable Stopes s reflections challenge the conventions of her time encouraging a compassionate and nuanced appreciation for a culture that continues to intrigue and inspire

**Familiar Studies of Men and Books** Robert Louis Stevenson,1924 Of the nine essays collected in this volume seven had appeared in the Cornhill Magazine The whole set range in date from 1874 to 1881 and thus belong to the period of Stevenson s life during which the papers in Virginibus Puerisque were written The familiar studies are Victor Hugo s Romances Some Aspects Of Robert Burns Walt Whitman Henry David Thoreau Yoshido Torajiro Fran ois Villon Charles of Orleans Samuel Pepys and John Knox and Women In arranging them for republication R L S prefaced them by some notes of self criticism in which he is at much pains to show where as he thought he had accorded less than full justice to his subjects
