The background is a bright, hazy sky with soft clouds in shades of green, yellow, and blue. Several colorful balloons (orange, blue, green, and yellow) are floating in the sky. How to Turn Your Desires and Ideals Into Reality Brown Landone,2017-09-04 Some of you are endowed with faith and some beset with doubt Of those endowed with faith based upon spiritual knowledge there is not one whose faith is not weakened a little by trifling doubts Of those beset with the darkest of doubts there is not one whose doubt is not enlightened a little by a touch of faith When I state that ideals come true none of you deny it or think of denying it But when I assure you that every ideal always comes true and that every one of your own particular ideals can be changed to a material reality my statement contrasts so astoundingly with your past experiences of having tried faithfully to attain that which you desire that some of you feel it can not be true some of you may doubt even my common sense in making such an assertion You who doubt that every ideal comes true doubt sincerely doubt because of common sense judgments based upon your present knowledge No matter what the cause doubt interferes with your realization of your ideals it dampens the fire of desire and lessens your effort to attain that which you wish because you think the effort is useless I do not wish you to accept any statement I wish you to know truth **The Musical Monitor** ,1923
