## **How To Wise Up On Business Finance:**

### **Practical Guide to Financial Due Diligence, 2e** B D Chatterjee, 2021-11-30 ABOUT THE BOOK AND KEY FEATURES

In the complex world of business today valuation has become an integral part of every sphere of day to day business activities. The term fair value is frequently used and often misused in every business transaction we enter into. The concept of business valuation in its various forms like historical cost replacement value, net realisable value and present value are being used and interpreted to meet the requirements of varied and complex business transactions. On top of this the onset of the pandemic COVID 19 has thrown the business entities around the world into a whirlwind of uncertainties and challenges and has pushed the business valuation exercise into uncharted territories. Keeping this in view this body of work explains and interprets the following in reader friendly and lucid form: All the concepts revolving around business valuation; Extensive illustrations and case studies related to various methods of business valuation; Application of Ind AS, AS, IFRS and ICDS with respect to fair value measurement; Valuation of tangible assets, intangible assets and goodwill; Valuation of liabilities and provisions; Valuation of shares; valuation of brands and business which are used as basic ingredient to corporate restructuring; Concept of Economic Value Added (EVA); Valuation in Merger Acquisitions; Salient features of the Valuation Standards issued by ICAI and International Valuation Standards issued by the International Valuation Standards Council; Significant judicial pronouncements related to business valuation; Possible impact of the pandemic on the business valuation of a target organization.

*Practical Guide to Financial Due Diligence* B D Chatterjee, 2021-05-15 About the Book An effective Financial Due Diligence exercise is the cornerstone of a successful merger acquisition deal between a prospective buyer and a seller willing to carry out an arm's length deal, throwing up a win-win situation for both. A robust Financial Due Diligence is even more necessary in today's business environment to critically assess the health and hygiene of the target entity to drive a proper valuation acceptable to both the constituents. This book will equip you with the knowledge, practical tools and techniques you need to enable you to conduct an effective financial due diligence. It also discusses aspects of corporate restructuring including the possible impact of the ongoing pandemic on the target organization. Key features: A curtain raiser on corporate restructuring; Impact of the ongoing pandemic on the financial due diligence exercise on the target organization; Broad commentary on the due diligence approach with broad emphasis on financial due diligence; The seller side approach to financial due diligence and the pitfalls leading to proverbial black hole of valuation; Deep dive into the buyer side approach to financial due diligence; Financial modelling as an important tool used for financial due diligence; Financial statement analysis and use of financial ratios with illustrations to support the conclusions of financial due diligence; Various methods used in Business Valuation with illustrations; Risk Analysis and Management as an integral part of financial due diligence exercise; Distress Analysis of target entities; Illustrations and case studies picked up from practical experience of the author; Contains a questionnaire for guideline on how to carry out a financial due diligence exercise. *11 Ways Financial Advisors Attract*
