Hiemstra, 2020-04-20 Our journey in Christian ethics starts with God in whose image we are created Creation begins with birth and continues as we mature Our character matures shaped by the example of Christ under the mentorship of the Holy Spirit through the family and the church Christian leaders reach full maturity once they're able to mentor others we are blessed to be a blessing Living in Christ focuses on explaining not justifying Christian ethics At a time and in a place where people scoff at developing a theological understanding of their faith and refuse to teach Christian morality ethics is almost a lost art At the heart of the ethical dilemma is a tension between theological principles that can only be resolved the guidance of the Holy Spirit How do you practice forgiveness for sinners who refuse to confess their sin and force you to bear its consequences In this context ethics is less a philosophical discipline than a recognition of our own limitations as Christians and the need for divine intervention Ethical thought and action always involve interpretation under the guidance of the Holy Spirit It is thus ironic that a book on Christian living should have an outward focus on God rather than an inward focus on
