Sexuality in Greek and Roman Society and Literature Marguerite Johnson, Terry Ryan, 2005 This Sourcebook contains numerous original translations of ancient poetry, inscriptions, and documents, all of which illuminate the multifaceted nature of sexuality in antiquity. The detailed introduction provides full social and historical context for the sources and guides students on how to use the material most effectively. Themes such as marriage, prostitution, and same-sex attraction are presented comparatively with material from the Greek and Roman worlds shown side by side. This approach allows readers to interpret the written records with a full awareness of the different context of these separate but related societies. Commentaries are provided throughout focusing on vocabulary and social and historical context. This is the first major sourcebook on ancient sexuality; it will be of particular use on related courses in classics, ancient history, and gender studies.

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But it was doctors who would take over the roles of

priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Volume I of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it [The Art of Kissing: Curiously, Historically, Humorously, Poetically Considered](#) Will Rossiter,2023-10-28 In The Art of Kissing Curiously Historically Humorously Poetically Considered Will Rossiter delves into the intriguing world of kissing from a multidimensional perspective The book explores the cultural historical and literary significance of kissing offering a unique blend of research humor and poetry Rossiter s engaging writing style and witty anecdotes make this book a delightful and informative read for anyone interested in the art of affection With references to famous kisses in literature and history the book provides a comprehensive look at the varied interpretations and practices of kissing throughout the ages Will Rossiter a renowned scholar and author brings his expertise in cultural studies and literature to The Art of Kissing His passion for the subject shines through in the meticulous research and thoughtful analysis present in the book Rossiter s background in poetry adds a lyrical quality to the writing making the exploration of kissing both intellectual and artistic I highly recommend The Art of Kissing to readers seeking a thought provoking and entertaining exploration of a universal gesture Rossiter s book is a delightful blend of scholarship and humor that will appeal to a wide range of audiences **You Can Never Satisfy a Woman** Robert Gonzalez,2022-04-08 You Can Never Satisfy A Woman is about many things in a woman s life that happens The story is about a woman the way she thinks speaks and do things These experiences thoughts and research I have learned growing up to adulthood about woman or women A woman mind can change anytime so you have to be ready *Psychopathia sexualis: With especial reference to contrary sexual instinct* R. von Krafft-Ebing,2021-11-05 In Psychopathia sexualis With especial reference to contrary sexual instinct by R von Krafft Ebing the author delves into the exploration of sexual deviancy and abnormal sexual behaviors with a particular focus on contrary sexual instincts Written in a clinical and objective style the book provides a detailed analysis of various psychological and physiological manifestations of sexual disorders Krafft Ebing s work reflects the emerging field of sexology in the late 19th century and remains a significant contribution to the understanding of human sexuality in a medical context The book contains case studies medical terminology and historical references making it a valuable resource for scholars and researchers interested in the study of sexual psychology and behavior R von Krafft Ebing a pioneering psychiatrist and sexologist drew inspiration from his clinical experience and research to write Psychopathia sexualis His
