**In Like Flynn** Emma Lea, 2018-03-12 Alcohol getting dumped and a smart phone were not a good mix Peyton Sheppard thought her world was just weeks away from being perfect The future she had always dreamed about was within her grasp the perfect guy the perfect wedding the perfect house in the suburbs That was until her fianc ran off and married a Las Vegas showgirl To say she was a bit miffed was perhaps an understatement Still an ill advised video uploaded to Facebook shouldn't have meant the end of her life as she knew it Flynn Devereaux loved his life just the way it was thank you very much He was not at all impressed when his editor insisted he do a blog series on the woman whose meltdown went viral The absolute last thing he needed or wanted was to try and get her to fall in love with him because of some ridiculous bet made on national television But what was a guy to do A challenge was a challenge and maybe he could limit the humiliation that was sure to follow both of them during the fallout of said challenge He didn't believe in love or happily ever after and she was done with the whole husband marriage white picket fence thing so there was no chance of either of them falling in love

**Intimacy on the Internet** Lauren Rosewarne, 2016-04-14 The focus of this book is on the media representations of the use of the Internet in seeking intimate connections be it a committed relationship a hook up or a community in which to dabble in fringe sexual practices Popular culture film narrative television the news media and advertising present two very distinct pictures of the use of the Internet as related to intimacy From news reports about victims of online dating to the presentation of the desperate and dateless the perverts and the deviants a distinct frame for the intimacy Internet connection is negativity In some examples however a changing picture is emerging The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news resulting in more positive spin advertising and a more even handed presence of such liaisons in narrative television and film Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender sexuality technology and the changing mores regarding intimacy

Idahosa, 2012-09 MY SUPERMAN David who always wanted to be a prolific and successful writer later found himself taking a step further to live in a hidden world where villains live and dwell He was committing crimes and was held behind bars He saw that the more friends he was having the farther he was walking from his dream Despite that addiction to crime which almost stole his life away he still would not relinquish his dream of becoming something he feels inclined to be that he so believed is what he will be judged with by God when he die He said he could see that crime can also be a product of the law and as a lack of social benefit A young African born into a vicious cycle of poverty in one of the most corrupt countries in the world And because of the political situation of his country which was on the brink of a civil war the lack of enough financial support from his impoverished family for him to run his education so as for him to be able to secure himself from danger by having a profession to work and live peacefully in his country He then decided to set on a formidable journey of life departed thence and traveled to Europe by land passing through the Sahara desert which he described as the hell on earth to Morocco and later to Spain Reaching Spain he proceeded farther on his adventurous journey that altered his life and dream only to make him discover the tragedies that later befell him and made him to send his ghost to live in the land where he was incarcerated by unending miseries seeing his life in peril and his dreams turning into nightmares In accordance with fact he became less preoccupied with his own problems as he looked to the three major problems engulfing the world which are hunger wars and terrorism He found politics more fascinating and when he tried to

ascertain the facts about it he grasped that it was greed power and lust that were written in their agendas and it was disturbing his faith and beliefs in humanity He thought he could see how men chose to forbid love and peace to embrace enmities and conflicts he said he could see that if men cannot make a sacrifice to love their neighbors they will find themselves paying prices for destroying each other How to Beat A Woman at Her Own Games Ralph Hemphill,2020-09-01

In today s world much unlike the world of long ago before the 1980s where women probably and seemingly didn t play as many games and didn t scheme as much as the women of today one can clearly see witness and attest to the ever present and overwhelming amount of game playing and scheming ways of most of the females we know know of see and interact with on a day to day basis Most every man at one point or some point in his life has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with and many guys get hit with games and schemes even with those that they are married to or in relationships with Practically no man is exempt We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what s in our pockets or bank accounts or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well That s a big part of the world we live in as far as men interacting with women and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty four hours a day
