How To Test Drive A Manual Transmission Car:

A Fractured Life Jane Gillen Garrett, 2022-01-15 *A Fractured Life* a true story reveals Jane's childhood of loneliness hunger isolation shame and abandonment When her mother died instantly and unexpectedly six year old Jane was left in the care of her drunken and disinterested father Without proper guidance this child put herself in a dangerous situation narrowly escaping a gang rape Without supervision she broke laws which could have resulted in juvenile detention Without love she yearned for a new mother only to struggle with a stepmother who was mentally ill Without fear she lived on her own through three years of high school while excelling academically and socially Jane traveled difficult and hazardous roads through childhood and adolescence in her hometown of Paducah Kentucky Though she did not recognize it as a child God's daily presence protected her and provided her needs leading her to a beautiful destination in adulthood Through her memoir you will learn to examine your daily life seeing God's presence in every step you take Your eyes will be opened to powerful blessings occurring in your life right now today Discussion thoughts at the end of the book are excellent resources for book clubs or Bible classes
