The Deliverer Ali Kings,2019-01-04 Being a Deliverer of human souls is a very responsible job even if it has been thrust upon you against your will when all you d wanted was a nice quiet suicide Obviously it s a job you should take seriously train for exhaustively and carry out meticulously And if you don t Well maybe you ll find yourself in an isolated shack in the middle of nowhere living a life of reclusive luxury with supplies that magically replenish themselves and only a cat for company Until one day you realise you should have paid just a bit more attention on arrival in the Transitional State perhaps even actually attended the training sessions because suddenly you re required to match a never ending flow of re cycled souls to their new parents and you ve absolutely no idea of how to do it And maybe you ll discover you re responsible for the Great Fire of London the birth of Hitler and the rise of Eva Lyam the white supremacist President of the USA who seduces her interviewer live on camera and threatens the world with all out nuclear war If that happens maybe you ll be given one last chance to prove yourself or face
