LANGUAGE ARTS

What you need to know about the GED® Language Arts Test

- 1** You should be familiar with reading and writing concepts, along with grammar. However, the language arts test is not a memorization test. You don't need to memorize giant vocabulary words or diagram sentences.
- 2** You'll need to read and understand test passages (literary and informational excerpts), demonstrate that you can write clearly, and draw conclusions (which is using your critical thinking skills in reading and writing). The test also covers grammar. This study guide and the example questions in it will help you get an idea of what's going to be on the test.
- 3** You *don't* need to know everything in this guide! If you want to see how close you are to passing, the GED Ready® official practice test is a great way to help you determine if you're ready.
