*Work-Life Matters* David Pendleton, Peter Derbyshire, Chloe Hodgkinson, 2021-08-27 Work life balance isn't about where or how you spend your time At least not solely It's about where and how you use and replenish your energy *Work matters* Life matters *Work life matters* As we start to navigate life during and after the pandemic employers and employees are increasingly re-evaluating how work can be made more sustainable and more fulfilling Many employees particularly Gen X and Gen Z are seeking a new psychological contract with their employers Putting these trends into context and offering practical solutions this book takes a deep dive into why work matters as part of a healthy and fulfilling life The authors present a new and different way of thinking about the matter of balance arguing that there is no hard divide between work and life because work takes place entirely within life and you can't balance two things when one is a subset of the other To achieve the balance required for a healthy existence we need to recognise that there are activities in all parts of work life that drain our energy and others that give us a buzz Rather than trying to solve the drain of hard work by living it large at the weekend or compensating for an unfulfilling home life by working like a demon we need to create balance at work and balance at home Now is a golden opportunity to re-examine the world of work and job craft to make them more satisfying less draining and more energising The ideas in this book provide a practical guide to help that process **To Summon the Blackbird** Ken Doggett, [Leadership](#) Florence Swanson, 2019-05-17 Do you want to sharpen your leadership skills or learn more about leadership Leadership is a must skill for everyone both for personal and professional life But how you can become a great leader In this book you will learn everything about leadership and how to become a great leader Read this book now and you will become a great leader *The Concise Leadership Textbook* Daniel Pittino, 2022-10-30 Learn key
