Jay E. McWilliams, Principal, McCamey High School, TX. The perfect study guide for aspiring superintendents to succeed on the TExES exam. In this comprehensive resource, Elaine L. Wilmore guides superintendents in Texas and elsewhere through the TExES exam for superintendent licensure. Because Texas standards are closely aligned with those of the Educational Leadership Constituent Council (ELCC), this must-have guide is useful for aspiring educational leaders across the nation, not just those taking the TExES exam. This book covers each of the ten key competencies in detail within three domains: leadership and educational community, instructional leadership, and administrative leadership. Wilmore highlights what test takers must know and understand as they approach this important exam, including details and examples from each domain and leadership competency. Test-taking tips and strategies, data analysis, and problem-solving skills. Plans for preparing both cognitively and psychologically leading up to the day of the exam. Suggested additional resources. This relevant resource offers support not only for passing the exam but also to improve test performance and achieve lifelong leadership goals.

*Blended Coaching* Gary Bloom, Jackie Owens Wilson, 2023-05-24 Harness the power of coaching to support professional educators. How can we construct professional development and supervision models that best serve the needs of adult learners? Building on the groundbreaking model outlined in the bestselling first edition of *Blended Coaching*, authors Bloom and Wilson outline a powerful set of strategies that can serve as a foundation for effective supervision. With a significant new focus on coaching leaders through issues of equity, this revised second edition provides a fresh approach to the professional development and supervision of education professionals, including explicit basic coaching strategies. Elaboration of the Blended Coaching model, which addresses issues of professional practice and social and emotional dispositions and skills. An overview of coaching-based systems, pipelines, and tools for the development of school leaders. Alignment to current professional standards for educational leaders. Professional development resources for the development and implementation of Blended Coaching and Coaching-Based Supervision. Exploding the myth that supervisors can't coach, this book provides the foundation of effective professional supervision by presenting a range of approaches that can be applied to the individual learning needs of education leaders.

Houston,2013-10-01     The Challenges for New Principals in the 21st Century Bruce G. Barnett,Autumn K. Tooms,Alan R. Shoho,2010-09-01 This book series International Research on School Leadership focuses on how present day issues affect the theory and practice of school leadership For this inaugural book we focused on the challenges facing new principals and headteachers Because the professional lives of school leaders have increasingly impinged on their personal well being and resources have continued to shrink it is important to understand how new principals or headteachers share and divide their energy ideas and time within the school day It is also important to discover ways to provide professional development and support for new principals and headteachers as they strive to lead their schools in the 21st century For these reasons this book is dedicated to exploring the rarely examined experiences of those who enter the role as new principals or headteachers By giving voice to new principals and headteachers we are able to determine what aspects of leadership preparation ring true and what aspects prove to be of little or no utility Unlike leadership texts that have focused on conceptual considerations and personal narratives from the field this book focuses on a collection of empirical efforts centered on the challenges and issues that new principals and headteachers experience during their initial and crucial years of induction We solicited and accepted manuscripts that explore the multi faceted dimensions of being a new principal or headteacher in the 21st century Our goal was to create an edited book that examines the commonalities and differences that new principals and headteachers experience from an international perspective This edited book is comprised of six chapters each of which contributes a unique perspective on the responsibilities that new principals and headteachers are experiencing at the dawn of the 21st century
