business to consumer service like car insurance or window cleaning a business to business product like a photocopier or a forklift truck or a business to business service like accountancy or marketing 2 When writing about a product you must first understand what it does how it works and what problems it solves You must also understand who uses it how they use it and when You must also consider whether there is anything unusual or even unique about the product 3 To learn about the product ask the client for all the information they have available including brochures web pages internal presentations and anything else If they offer to write their own notes say yes 4 Site visits are worthwhile for any product but are particularly useful for professional services The end client is buying the people who will deliver the service and the culture of the company will have a big impact on their experience

Summary of Mark Miller's Leaders Made Here Everest Media,2022-05-23T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The explosion marked Blake and the entire organization forever They had lost six lives that morning The cause was reported to be human error Blake had to manage the grieving process rebuild trust and physically rebuild the building 2 The company had a lot of issues to address before the accident and the list was now staggeringly long The leaders of the company were responsible for the culture and they would raise the bar 3 A leadership bench is a term to talk about current and emerging leaders It is often represented in a plan that outlines your best thinking regarding succession Ultimately you want to be three deep in every key leadership position
