Comeback Churches Ed Stetzer, Mike Dodson, 2007-05-01 Research shows that over time most churches plateau and then eventually decline Typically they start strong and experience periods of growth then stagnate and lose members Since 1991 the North American population has increased by 15 percent while the number of unchurched people has increased by 92 percent Large church houses that were filled in the 1950s and 60s now hold a fraction of their capacity To counter this trend authors Ed Stetzer and Mike Dodson surveyed 300 churches from across ten different denominations that recently achieved healthy evangelistic growth after a significant season of decline What they have discovered is an exciting method of congregation reinvigoration that is shared in the new book entitled *Comeback Churches* Endorsements As a successful pastor church planter researcher and advisor to thousands of churches Ed Stetzer speaks from a wealth of experience with all kinds of churches Now in one volume your church can benefit from his wisdom This book is a winner Dr Rick Warren author of *The Purpose Driven Life* and *The Purpose Driven Church* First and foremost it is biblical Second it is well researched And third it is immensely practical and applicable this book should be in the hands of hundreds of thousands of pastors staff and church leaders Simply stated it is just that good Thom S Rainer author of *Simple Church* president CEO of Lifeway Christian Resources Finally a book of practical advice that is based on research I have seen it both ways endless research with little advice or much advice with little facts This book strikes the balance with perfection Elmer Towns Dean of Liberty University This is the most helpful practical book on church revitalization I ve read this century Leonard Sweet Drew Theological School George Fox University *Comeback Churches* is more than a pep talk It s rooted in the right stuff to bring a congregation out of the dismal into the vital Jack W Hayford President International Foursquare Churches Chancellor The King s College and Seminary No one to my knowledge has done the hard research presented the facts and offered such sound advice as Ed Stetzer and Mike Dodson *Comeback Churches* is the number one book on turning around declining and plateauing church ministry Gary L McIntosh D Min Ph D Biola University A refreshing book by authors who know how to make research exciting and instructional Leaders and members of non growing evangelical churches should read this book it wouldn t hurt mainliners either Bill Easum Easum Bandy Associates **American Book Publishing Record** ,2003
