Leading By Example Peters Way For The Church Today:

Leading by Example Graham Houston, 2008-06-01 Opens up the radical and challenging implications of 1 Peter for contemporary Christian leadership Leading by Example is the only book which explores the practical theology of 1 Peter with particular reference to Christian leadership Graham Houston critiques the trend in recent books to relate contemporary management theories to church leadership He explores 1 Peter s expose of the problem of authoritarianism lording It in the early church and its development of an alternative model of servant leadership Houston blends insights from current New Testament scholarship sociology theology psychology and from years of Christian ministry to allow the ancient biblical text to address our current situations afresh He challenges us to look away from apparent western success stories for examples to follow and rather to look to the apparent fringes of God s work in today s two thirds world Leading by Example is essential reading for any who want to see how the biblical text can help Christian leaders serve the purposes of God in a more Christ like and radical way

Mimesis in the Johannine Literature C. Bennema, 2017-09-21 Mimesis is a fundamental and pervasive human concept but has attracted little attention from Johannine scholarship This is unsurprising since Johannine ethics of which mimesis is a part has only recently become a fruitful area of research Bennema contends that scholars have not yet identified the centre of Johannine ethics admittedly due to the fact that mimesis is not immediately evident in the Johannine text because the usual terminology for mimesis is missing This volume is the first organized study on the concept of mimesis in the Johannine literature The aim of the study is to establish that mimesis is a genuine Johannine concept to explain its particulars and to show that mimesis is integral to Johannine ethics Bennema argues that Johannine mimesis is a cognitive creative process that shapes the believer s identity and behaviour within the context of the divine family Besides being instrumental in people s moral transformation mimesis is also a vital mechanism for mediating the divine reality to people

Preaching the New Lectionary Dianne Bergant, Richard N. Fragomeni, 1999 This commentary which uses the lectionary approved by the NCCB in 1998 is a literary liturgical reading of the four lections

including the psalm response of each Sunday and major feast of the liturgical year cycle C It explicitly situates the interpretation of each day within the theology of its respective liturgical season theology that is drawn from the specific themes of the readings of that particular year rather than from general theological themes otherwise associated with the season The lections are also read in sequential order from the first Sunday of that season to the last thus providing another way of interpreting the riches of the readings Book jacket The Stratified Leadership Model of the First-Century Christian Church Barton S. Garratt Edsall, 2025-07-29 This research work aims to present a solution to the problem of withering Christian congregations present in modern Christian churches by way of expounding the doctrine that Jesus or his apostles promoted as displayed in the four canonical Gospels the Acts of the Apostles or the New Testament epistles This study presents factual information showing that the doctrine and arrangement of leaders that developed within the first century church may have been overlooked and lost by the wayside of history in favor of established traditions Paul declared his purpose for visiting the church believers in Rome was not to collect money or build houses of worship but so that their lives might manifest spiritual fruit Following that example improving the spiritual quality of their people's lives should be the primary goal of all Christian ministers The majority of this work will conduct a careful exegesis of selected passages from the New Testament which focus on the leadership model utilized by the first century church This study presents in detail the stratified leadership model of the early times in such a fashion that any modern church might replicate its design **The Branch Exposition of the Bible, Volume 1** Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture Outposts of Hope Douglas D. Webster, 2015-01-09 The original recipients of the Letter of First Peter inhabited a radically different social context from our own We do not live under Roman imperial rule Slave labor is not the driving force of our economy Women are not under patriarchal domination in our culture as they once were Society has changed but what is beyond dispute is that Western culture remains antithetical to God's will and hostile to the Jesus way The imperial Caesar has been replaced by the imperial self The Pax Romana has been replaced by the American Dream Western capitalism still trades in the bodies and

souls of human beings Culture obsesses over sexual freedom and material indulgence Idolatry is pervasive Autonomous individualism is the ideal First Peter is about the inevitable clash with culture that ensues because of the good news of Jesus Christ The Apostle Peter s bottom up profile of costly discipleship is far more radical than we may realize Hostility against the church is the believer s opportunity under pressure to reveal the goodness of God Suffering and submission are essential for Peter s Christ for culture strategy Sacrifice is the leverage of the gospel Cross bearing humility is the strategy for relating to culture and Christlike humility is essential for living in the household of God
