Leading Learners Leading Schools Author Robin Brooke Smith May 2003:

Leading Learners, Leading Schools Robin Brooke-Smith, 2003-12-16 In this book Robin Brooke Smith explores the dynamics of schools as complex organisations. He presents a radical departure from established school improvement and effectiveness orthodoxies offering a refreshing new approach to managing change and enhancing collective learning. Based on the author's own experience of managing and leading schools, this book explores such questions as: How can schools learn as a generative process? How can schools become adaptive and co-evolve with their internal and external environments? How can education leaders navigate their institutions out of the comfort zone and into the creative state? The book concludes with a series of practical lessons for leading schools in complex conditions and will be of great value to reflective action orientated heads, principals and deputies as well as academics and researchers in education management. **Book Review Index**
