A Lady of Spirit: A steampunk adventure novel featuring smart, brave women Shelley Adina, 2019-12-21 You can choose your friends but you cannot choose your family or can you Under normal circumstances Maggie and Lizzie would be delighted to meet their long lost relatives and be reunited with those who had believed them dead but when are the Mopsies circumstances ever normal With her half brother Claude Seacombe Lizzie travels to Cornwall to meet her mother s parents Maggie goes along too since she is part of the family or so one might assume But the more time she spends in her grandparents clifftop mansion the more she realizes that something is not right and the events surrounding her own mother s death are more mysterious and dangerous than anyone alive suspects For an old nemesis is preying on the weak and proud and she cannot stand by and watch Maggie must straighten her spine plunge into danger for Lizzie s sake and prove that no matter the name she bears she is first and foremost what the Lady of Devices believes her to be a lady of spirit Another excellent book in an excellent series The world is wacky and immense fun the stories exciting and all well written and well paced and with

chickens for even more fun But the backbone of this great series is and has always been the characters their issues their layers their complexity their solid relationships and loyalties all elevate a good book to a really great one Fangs for the Fantasy on A Lady of Spirit A Lady of Spirit is the sixth novel in the Magnificent Devices steampunk cozy fantasy series Books 5 and 6 form a duet No strong language just a very proper kiss or two and a satisfying solution If you like books by Gail Carriger Lindsay Buroker or Emma Jane Holloway you re in the right place Enjoy *The Machine Anxieties of Steampunk* Kathe Hicks Albrecht,2021-11-04 What is steampunk and why are people across the globe eagerly embracing its neo Victorian aesthetic Old fashioned eye goggles lace corsets leather vests brass gears and gadgets mechanical clocks the look appears across popular culture in movies art fashion and literature But steampunk is both an aesthetic program and a way of life and its underlying philosophy is the key to its broad appeal Steampunk champions a new autonomy for the individual caught up in today s technology driven society It expresses optimism for the future but it also delivers a note of caution about our human role in a world of ever more ubiquitous and powerful machines Thus despite adopting an aesthetic and lifestyle straight out of the Victorian scientific romance steampunk addresses significant 21st century concerns about what lies ahead for humankind The movement recovers autonomy from prevailing trends even as it challenges us to ask what it is to be human today Female Rebellion in Young Adult Dystopian Fiction Sara K. Day,Miranda A. Green-Barteet,Amy L. Montz,2016-04-15 Responding to the increasingly powerful presence of dystopian literature for young adults this volume focuses on novels featuring a female protagonist who contends with societal and governmental threats at the same time that she is navigating the treacherous waters of young adulthood The contributors relate the liminal nature of the female protagonist to liminality as a unifying feature of dystopian literature literature for and about young women and cultural expectations of adolescent womanhood Divided into three sections the collection investigates cultural assumptions and expectations of adolescent women considers the various means of resistance and rebellion made available to and explored by female protagonists and examines how the adolescent female protagonist is situated with respect to the groups and environments that surround her In a series of thought provoking essays on a wide range of writers that includes Libba Bray Scott Westerfeld Tahereh Mafi Veronica Roth Marissa Meyer Ally Condie and Suzanne Collins the collection makes a convincing case for how this rebellious figure interrogates the competing constructions of adolescent womanhood in late twentieth and early twenty first century culture *The Plant - A Steampunk Story* Francis Rosenfeld,2015-11-01 On an unauthorized trip to the local factory a young boy discovers an unusual plant growing in the steam pipes He keeps silent about it afraid he would be punished but watches intently as the town people s concerns about the plant s unbelievable resilience grow stronger by the minute The plant keeps growing and seems to be inextricably fused with the steam pipe system optimizing its energy efficiency and blooming metal flowers in the process It ends up transforming the life of the city and starting a bio mechanical hybrid revolution *Beyond the Cogs: A Steampunk Anthology* Elle Beaumont,C. Steampunk III: Steampunk Revolution Ann VanderMeer, 2012-10-05 Playfully mashing up the romantic elegance of the Victorian era with whimsically modernized technology the wildly popular steampunk genre is here to stay Now long live the revolution Steampunk Revolution features a renegade collective of writers and artists including steampunk legends and hot new talents rebooting the steam driven past and powering it into the future Lev Grossman s Sir Ranulph Wykeham Rackham GBE a k a Roboticus the All Knowing is the Six Million Dollar Steampunk Man possessing appendages and workings recycled from metal parts yet also fully human resilient and determined Bruce Sterling s White Fungus introduces steampunk s younger cousin salvage punk speculating on how cities will be built in the future using preexisting materials Cat Valente s Mother Is a Machine explores the merging of man and machine and a whole new form of parenting In Jeff VanderMeer s anti steampunk story Fixing Hanover a creator must turn his back on his creation because it is so utterly destructive And Cherie Priest presents The Clockroach a new and very unsettling mode of transportation Going far beyond corsets and goggles Steampunk Revolution is not just your granddad s zeppelin it s an even wilder ride *Steampunk: H.G. Wells*, 2013-01-29 No classic work lends itself better to Steampunk illustrations than The Time Machine The War of the Worlds and The Country of the Blind written by H G Wells who many consider to be the father of Steampunk itself Wells s tales of time travel and scientific romance is the perfect collection to the Steampunk series Fans old and new will be delighted by Basic and Sumberac s four color illustrations spiked with Steampunk machinery gadgets and fashion **The Aestheticization of History and the Butterfly Effect** Nancy Wellington Bookhart, 2023-10-10 The Aestheticization of History and the Butterfly Effect Visual Arts Series introduces the audience to philosophical concepts that broach the beginning of the history of Western thought in Plato and Aristotle to that of more modern thought in the theoretician Jacques Ranci re in which the main conceptual framework of this anthology is predicated The introduction is mainly concerned with Ranci re s concept of the distribution of the sensible which is the arrangement of things accessible to our senses what we experience in real time and space compartmentalization and categorization of all things These things do not just involve tangible items but audible speech written language and visibilities Ranci re s theory of the regimes of art is undertaken as the unfolding of the distribution Such is evoked in the various genres of visual art forms from two dimensional paintings to three dimensional

sculptures and architectures Understanding the aesthetic regime of art is crucial for grasping how art performs time travel One way of understanding this phenomenon is in terms of embodied philosophy imbued vis vis art forms which are subsequently challenged by contemporary artists The contributing essays examine these reiterations reevaluations performances Aesthetics is a term deriving from the 18th century European Enlightenment It is here that aesthetics as the study of beauty is probed for its political potential after the failure of the French Revolution Many major thinkers during this period signed on to the aesthetic moment recognizing that Reason in its present state failed to develop humankind beyond barbarism J E B Stuart s statue is part of an equestrian theme that approximates the Western canon of power and class in the pursuit of domination But such power and domination will be dethroned in the restaging of history and the redistribution of said canon This reimagining of the form not only alters perception but constitutes a new narrative **Devil in the Stack**

Andrew Smith,2024-08-20 From internationally bestselling author and journalist Andrew Smith an immersive alarming sharp eyed journey into the bizarre world of computer code told through his sometimes painful often amusing attempt to become a coder himself Throughout history technological revolutions have been driven by the invention of machines But today the power of the technology transforming our world lies in an intangible and impenetrable cosmos of software algorithmic code So symbiotic has our relationship with this code become that we barely notice it anymore We can t see it are not even sure how to think about it and yet we do almost nothing that doesn t depend on it In a world increasingly governed by technologies that so few can comprehend who or what controls the future Devil in the Stack follows Andrew Smith on his immersive trip into the world of coding passing through the stories of logic machine learning and early computing from Ada Lovelace to Alan Turing and up to the present moment behind the scenes into the lives and minds of the new frontiers people of the 21st century those who write code Smith embarks on a quest to understand this sect in what he believes to be the only way possible by learning to code himself Expansive and effervescent Devil in the Stack delivers a portrait of code as both a vivid culture and an impending threat How do we control a technology that most people can t understand And are we programming ourselves out of existence Perhaps most terrifying of all Is there something about the way we compute the way code works that is innately at odds with the way humans have evolved By turns revelatory unsettling and joyously funny Devil in the Stack is an essential book for our times of vital interest to anyone hoping to participate in the future defining technological debates to come **The Dragon Lantern** Alan Gratz,2025-09-23 The Dragon Lantern is the second action
