## James E. Mazur

Known for his clear and engaging writing style, James E. Mazur's text examines how learning takes place everywhere, by animals of all species and people of all ages. Introducing students to key research from the field, Mazur uses pedagogical tools to help readers comprehend and apply the material. New learning objectives start each chapter and clearly lay out the content; in-chapter practice quizzes and end of chapter review questions help readers apply the material; finally, the end of text glossary is a useful tool for defining the key terms.
