Louise Bourgeois I Have Been To Hell And Back:

Louise Bourgeois Louise Bourgeois, 2015 *Louise Bourgeois* Louise Bourgeois, 2015 Those who have stood under one of her Mamans sculptures of spiders that symbolize maternal protection understand the singularity of Louise Bourgeois's artistic approach. In terms of style, her pioneering body of work is complex and she uses a wide variety of materials: drawings, etchings, installations, works made of fabric, sculptures out of wood, marble, bronze, latex, plaster, hemp, to deal with universal questions. The extensive monograph provides an overview of the overall artistic development of Louise Bourgeois and presents a large number of works. The volume is grouped into themes that characterize her oeuvre, including memory, trauma, relationships, sexuality, fear, as well as the difficulty involved with being an artist and mother at the same time. Personal photographs furthermore provide insight into the artist's childhood and family life. *Louise Bourgeois* Louise Bourgeois, 2008 Developed in close collaboration with the artist and accompanying a major retrospective exhibition that is touring internationally, this book provides a comprehensive overview of Bourgeois's entire career. Designed as an illustrated glossary to her life and work, it covers everything from A for Abandonment to W for Words, via F for Family, Father Figures, and Feminism, and S for Sexuality, Studio, and Suicide. Also included are selected writings by Bourgeois herself and a full chronology, making it the most thorough and up-to-date publication on the artist available. **Knife-Woman** Marie-Laure Bernadac, 2025-10-21 The first major biography on artist Louise Bourgeois brings the life and work of an iconic twentieth-century artist into sharp focus. Louise Bourgeois (1911–2010) was one of the most important artists of the twentieth century. She is known for a body of work that spans sculpture, painting, and printmaking but eludes any aesthetic classification. Her life and art were so intertwined that it is often difficult to tell them apart. In her own words: "Sculpture is the body. My body is the sculpture." Marie-Laure Bernadac's biography of Bourgeois traces the career of a great artist, her training, and her influences, as it tells the story of an exceptional woman's life. Featuring personal photographs as well as reproductions of her work, this landmark publication is the first major biography to draw on the artist's unpublished personal archives, including diaries, correspondence, and psychoanalytic writings, as well as the many interviews she gave and the reminiscences of those who knew her. Bernadac elucidates Bourgeois's friendships and rivalries with other major figures, including sculptor Louise Nevelson and Museum of Modern Art director Alfred H. Barr Jr. She also draws on Bourgeois's well-known fascination with psychoanalysis to explore the deeply autobiographical nature of her artwork. This erudite and keenly insightful biography pays tribute to the talent of the artist and the complexity of the person. **The Tango Effect** Kate Swindlehurst, 2020-04-02 Every hour in the UK, two people are told they have Parkinson's disease. For Kate Swindlehurst, the diagnosis was a turning point; refusing to be defined by her condition, she chose instead a radically different path. This is the story of an extraordinary year. It begins with a single tango lesson but grows into an exploration of the dance itself, its history, its music, and its incredible healing potential. It is a year in which Kate explored and documented the tango effect, the emotional and social

benefits of dance on Parkinson's symptoms Her personal account echoes what science is beginning to tell us about the powerful and transformative impact of Argentine tango Intimate and unflinching *The Tango Effect* challenges our perceptions of living with a chronic condition Above all it takes an honest look at the dark side of the illness while celebrating moments of joy interconnectedness acceptance and liberation *HellFire* Mia Gallagher,2007-05-31 On a midsummer's evening a young Dublin woman Lucy Dolan prepares for a showdown that will help make sense of a heart breaking and brutal atrocity that happened thirteen years earlier changing her life forever As she waits for the arrival of the charismatic figure who is the key to the mystery she recounts her life story a rich and extraordinary tale spanning two generations of storytellers and deal makers fortune tellers and gamblers businessmen and warlords and the people that feared served and betrayed them With each twist of this tumultuous story Lucy revisits her childhood and early adolescence trying to get her head around the things people do in the name of love and hate greed and desire and she pieces together afresh the events that led to the night that still haunts her *Fixing the Fates* Diane Dewey,2025-07-30 The secrets lies and layers of deception about Diane Dewey's origins were meant for her protection but eventually they imploded Living with her family in suburban Philadelphia Diane had grown up knowing she was born in Stuttgart and adopted at age one from an orphanage She'd been told her biological parents were dead Then in 2002 when she was forty seven years old Diane got a letter from Switzerland her biological father Otto wanted to bring her into his life With that her world shifted on its axis In the months that ensued everybody had a different story to tell about Diane's origins including Otto when they met in New York City She struggled to understand what was at stake with the lies Like a private eye she sifted through competing versions of the truth only to find that having traveled throughout Europe and back identity is a state of mind As more information surfaced the myths gave way to a certain elusive peace Diane discovered a tribe in her mother's family found a Swiss husband gained a voice and for the first time began to trust in the intuition that had nudged her all along One part forensic investigation one part self discovery *Fixing the Fates* is a story about seeing behind artifice and living one's truth **One Thing Follows Another** Sarah Rosenthal,Valerie Witte,2025-03-28 In the 1950s Yvonne Rainer Simone Forti and a handful of other young artists based in New York's Greenwich Village set out to challenge the practices and principles of professionalized dance Inspired by the groundbreaking work of choreographers Anna Halprin Robert Dunn and Merce Cunningham as well as composer John Cage they were determined to change what dance is and can be In *One Thing Follows Another* a boundary crossing collection of ten experimental poetic essays poets Valerie Witte and Sarah Rosenthal explore the work of dancer choreographers Rainer and Forti both at various inflection points throughout their careers and in this particular moment Through a combination of chance operations and intentional artistic choices that push the authors to unexpected places including the zoo the dance studio the street corner and via innovative forms and techniques such as collage erasure and their own artistic inventions they deconstruct the essay form to examine what they as poets each with their own highly charged relationships to dance can

Visible Women Christine Bell, 2012-01-17 Visible Women Tales of Age Gender and In Visibility is a reflective questioning subjective self indulgent and moving narrative exploration of the experiences of women growing older and not disappearing What lies behind stories of older women becoming invisible and disregarded How true are they where do they come from and what do they mean How might they be challenged and what other stories can be told The core of the book is the poetic representation of the thoughts and lives of a group of women between 50 and 70 Their narratives are drawn from the email correspondence between the author and her seven co researchers Starting with a search for the anecdotal and mythical invisible woman the author's own story is woven into and becomes part of the journey The landscape which is beautifully observed in clear non academic language takes us through feminist and poststructuralist theory existentialism
